

PROSPECTUS

2021-22

DELHI PHARMACEUTICAL SCIENCES AND RESEARCH UNIVERSITY

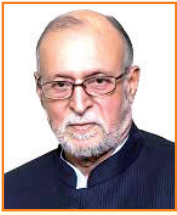

The First University dedicated to the Pharmaceutical Sciences in India

Incorporating it's constituent Institute

DELHI INSTITUTE OF PHARMACEUTICAL SCIENCES AND RESEARCH

AUTHORITIES OF THE UNIVERSITY

General Council

Hon'ble Lt. Governor
Sh. Anil Baijal
Chairman & Chancellor

Dr. Shridhar Dwivedi

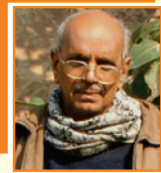

Prof. Ramesh K.
Goyal

Dr. S. B. Deepak
Kumar, IAS

Sh. Sandeep
Kumar, IAS

Prof. C. R. Babu

Sh. Rajeev Singh
Raghuvanshi

Sh. Pankaj
Ramanbhai Patel

Prof. P. K. Sahoo

Dr. O. P. Shukla

Board of Governors

Dr. Shridhar Dwivedi
Chairman

Prof. Ramesh K.
Goyal

Prof. V. M. Katoch

Prof. Arun K.
Agarwal

Dr. Rajesh Jain

Prof. K. C.
Upadhyay

Dr. S. B. Deepak
Kumar, IAS

Sh. Sandeep
Kumar, IAS

Prof. P. K. Sahoo

Prof. Geeta
Aggarwal

Dr. O. P. Shukla

Academic Council

Prof. Ramesh K.
Goyal, Chairman

Prof. G. N. Qazi

Dr. Rajesh Jain

Prof. S. K. Gupta

Prof. Geeta
Aggarwal

Prof. Rajiv Tonk

Prof. P. K. Sahoo

Prof. Harvinder
Popli

Prof. D. P. Pathak

Prof. Sharad
Wakode

Prof. Richa Rai

Dr. Shilpa Jain

Dr. Jaseela Majeed

Dr. Ramchander
Khatri

Dr. O. P. Shukla

Finance Committee

Prof. Ramesh
K. Goyal,
Chairman

Prof. Arun K.
Agarwal

Prof. V. M. Katoch

Dr. S. B. Deepak
Kumar, IAS

Sh. Sandeep
Kumar, IAS

Dr. O. P. Shukla

Sh. Ranjeet Kumar

Admission Committee

| | |

VISION

To be the ultimate destination for education, training and research in pharmaceutical sciences and allied areas and thereby, cater to the health needs of the people at large.

MISSION

To develop core competency in pharmaceutical sector and contribute in building leaders, administrators and personnel who can take up responsibilities as pharmaceutical science professionals, appropriate for community, institutions and industries on health and management related fields.

OBJECTIVES

- To have a comprehensive, multidisciplinary institute for learning and research with holistic approach in pharmaceutical and sciences
- To provide infrastructure and research facilities for the dissemination of the advanced knowledge to the students in various branches of pharmaceutical sciences through innovative teaching-learning processes with inter-disciplinary approach such that they propagate their wisdom to acquire all kinds of knowledge and generate new ideas
- To educate and train manpower for the development of the country and establish linkages with industries for the promotion of science and technology through several health-related courses in MLT, GNM, and X-Ray Technology
- To cultivate the spirit of embracing internationalism/ diversity and competitiveness/ competition amongst students such that novel and creative ideas are harnessed, leading to unique discoveries and inventions, for the advantage of society at large

QUALITY POLICY

- Curricular Designing: Unique Courses with Global Thinking & Local Needs
- Teaching Learning Process: Pedagogy with Participative Learning
- Research & Innovation: Research Excellence with Innovation & Incubation
- Infrastructure: Ambience for Rigorous Learning
- Student Progression: Encaging the Dreams by Job Creation
- Governance: Leadership without Power & Power without Hierarchy
- Best Practices: Adoption of Yoga and Sports for Healthy Life

From the Vice Chancellor's Desk

Welcome to the Delhi Pharmaceutical Sciences & Research University

The year 2020-21 has been very challenging because of the COVID-19 pandemic. But the challenges always bring opportunities. Pharmaceutical and allied health sciences are acting as the world's saviour in these times of global health challenge. This is the most opportune time for pharma to promote and execute the competence by an institution for diagnostics, drug discovery and innovations to fight against the COVID and provide health services and management at the society level. Delhi Pharmaceutical Sciences and Research University, the First Pharmacy University of India and third in the World converted the adversities of COVID into Opportunities. During this dreaded period DPSRU marched forward with new vistas. On 22nd December we had the 3rd Convocation of our University with Prof. B. Suresh, President, PCI as the Chief Guest. Our University got Commonwealth Award in Innovation and a Fellowship from UK for Infectious diseases to our faculty Dr. Mahaveer, Dr. Sushma Talegaonkar getting a Research grant of Rs. 67

Lakhs from SERB, DST and our team in the University got a grant of 5.45 Cr from DTTE, Govt. of NCT of Delhi for the establishment of the Precision Medicine Centre. In the end, the State-of-the-Art Centre for Meditation and Yoga Sciences. The most important development has been the development and introduction of an herbal product into the market 'COROQUIL-Zn', which is perhaps the first in the world targeted to the ACE-2, the main culprit for COVID-19.

DPSRU continues to have a focus for research and innovation. Our faculty members published over 200 papers, filed patents and got awards consistently every year. In addition to academic activities, several workshops, seminars and guest lectures. Our University continues to have strong tie ups with industry. Innovative products are being developed with companies. Research, innovation and incubation have been a priority of our university. This year we have filed 8 patents including 2 PCTs. With the collaboration of Russian scientists, we have filed a patent for the Regenerin cream for Diabetic Foot ulcer. Three of our faculties Prof. Deepti Pandita, Dr. Sushma Talegaonkar, Dr. Prabodh Chander are listed in top 2% of highly cited scientists of 2019 by University of Stanford, in addition to my name in 2020 top 2% scientists. Our University has been shortlisted by Silicon India for 10 Best Campuses for Research and Innovation in India- 2020. More than 25 new dynamic faculty members have been appointed on a regular basis and more than 25 research projects have been submitted by our faculty. While the first batch of BPT is coming out this year from the University it is exciting to note that our School of Physiotherapy has been included in 10 best Physiotherapy institutes in India.

To expand horizons and promote research activities, the University has more than 30 MoU signed with National Government institutions and Pharma Industry. In 2020-21, we started PG Diploma in Clinical research with Apollo Hospital Research & Education (AHRE). From this year (2021-22) we are starting eight new courses like Executive M. Pharm. (Drug Regulatory Affairs); MBA (Pharma Economics and Trade); BBA (Public Health Administration); MPT (Sports Physiotherapy); B. Pharm (Ayurveda); PG Diploma in Tissue Culture; M.Sc. (Artificial Intelligence and Precision Medicine); DMLT; BMLT; Diploma in Meditation and Yoga and new Skill development courses in Medicine Management. Our University has been thriving for the quality education and welfare of the students. This year 51 students qualified in the national competitive examination GPAT, which, I suppose, is probably the highest number in the country among pharmacy institutions. We have now 128 Ph.D. students and more importantly one third come with Govt scholarships from agencies like ICMR, DST, CSIR etc and an equal number getting collaboration and aid with research centers like DRDO, THISTI, IPC and pharma industries.

Arranging for the Guest lectures, appointments of Adjunct Professors, Organizing Workshops, National and International conference and now the webinars is a routine in our University. Through webinars our University has developed collaborations and tie-ups with countries like the UK, West Indies, Portugal, Philippines, Malaysia, Thailand and even China. This year we have prepared VISION 2030.

With prayers to the almighty to keep our mentors of the university, teaching and non-teaching staff and alumni I acknowledge their constant support. I welcome the aspirants to have a distinct career in the field of health sciences including pharmacy and pharmaceutical sciences for their constant support.

Prof. Ramesh K. Goyal

Milestones

- Act 7 of 2008 Passed by the State Legislature of Delhi as a State University No. F14(16)LA-2008/Law/134-143 dated 24th October 2008
- Establishment Date declared as 1st February (No. F. 2(412) / 2008 / SB / Vol. II / 71 dated 21.01.2010.
- Beginning of the Academics in the University (No. F.9-19/2015/(CPP-I/PU) dated 22nd September 2015. Prof. Shyam Sundar Agrawal as the Vice Chancellor
- UGC Notification: 22nd September 2015
- Appointment of the First Regular Vice Chancellor: Prof. Ramesh K. Goyal
- First Statutes: 2017
- PCI Approval: upto 2021
- DCPTOT Approval: upto 2020
- AICTE Approval: upto 2022
- WCSC Center: 2019
- DBT-BIRAC-BIONEST Centre: 2019
- Precision Medicine Centre: 2021
- Centre for Meditation and Yoga Sciences: 2021

The University Units

1. Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR)
2. School of Pharmaceutical Sciences
3. School of Allied Health Sciences and Management
4. School of Physiotherapy
5. Academy of Sports Sciences Research and Management (ASSRM)
6. DPSRU Innovation and Incubation Foundation (DIIF)
7. Yoga and Fitness Centre
8. World Class Skill Development Centre of DTTE, New Delhi
9. DPSRU Bioincubator centre
10. Precision Medicine Centre
11. Centre for Meditation and Yoga Sciences

The University Subject-wise Divisions

1. Pharmaceutics and Pharmaceutical Technology
2. Industrial Pharmacy
3. Cosmeceutics
4. Drug Regulatory Affairs
5. Pharmaceutical Chemistry
6. Pharmaceutical Analysis
7. Pharmaceutical Quality Assurance
8. Pharmaceutical Nanotechnology
9. Pharmacology and Toxicology
10. Anatomy and Physiology
11. Pharmaceutical Biotechnology
12. Pharmacognosy and Phytochemistry
13. Herbal Drug Technology
14. Pharmaceutical Management
15. Hospital & Clinical Pharmacy
16. Hospital Administration
17. Public Health
18. Business and Accounting Management
19. Electrotherapy, Exercise Therapy and Biomechanics
20. Neuro-physiotherapy
21. Pediatrics Physiotherapy
22. Sports Physiotherapy
23. Cardiothoracic Physiotherapy
24. Sports Digitalization
25. Sports Fitness and Performance Assessment
26. Sports Management
27. Yoga and Meditation
28. Computer & Communication

Centers of Excellence in the University

The university is committed to achieving/accomplishing new benchmarks with global standards/ideals of excellence in the field of Pharmaceutical Science and Technology, Management and Allied health care areas by disseminating knowledge through cutting-edge research, education and innovation.

- 1) Ocular Pharmacology
- 2) Clinical Research (BA/BE Center)
- 3) Advanced Herbal Drug Formulation & Technology
- 4) Bio Nest Center
- 5) DIIF
- 6) Nanotechnology
- 7) Drug Discovery Center
- 8) Precision Medicine Centre
- 9) Centre for Meditation & Yoga Sciences
- 10) Pharmacovigilance and Outcome Research

Facilities At A Glance

Infrastructure

- Land Area: 10.36 acre
- Class Rooms: 26
- Labs: 30
- Animal House
- Rain Water Harvesting
- Information Technology Center
- Museum
- Auditorium
- Incubation Center
- Library
- Food Court
- Staff Quarters
- Guest House (India International Hospitality Centre)
- Gymnasium
- Physiotherapy OPD
- Clinical Research
- SBI ATM
- Mother Dairy Booth

Faculty

Prof. Ramesh K. Goyal, Vice Chancellor

Dr. O.P. Shukla, Registrar

Prof. Prabhat K. Sahoo, Dean Research and Development

Prof. Geeta Aggarwal, Dean Academics

Prof. Rajiv Kumar Tonk, Dean Student's Affairs

DELHI INSTITUTE OF PHARMACEUTICAL SCIENCES AND RESEARCH

Prof. Prabhat. K. Sahoo, Offg. Director

DEPARTMENT OF PHARMACEUTICS / HOSPITAL AND CLINICAL PHARMACY

| | |
|--------------------------|-----------------------|
| Prof. Prabhat K. Sahoo | Professor |
| Prof. Deepti Pandita | Professor |
| Dr. Meenakshi K. Chauhan | Associate Professor |
| Mr. Bhag Chand | Lecturer (Sel. Grade) |
| Dr. Gaurav K. Jain | Associate Professor |
| Dr. Satish Manchanda* | Lecturer |

Temporary full-time faculty

| | |
|-------------------|-------------------|
| Dr. Beauty Behera | Ms. Mamta Bishnoi |

§There shall be 10% of total seats for each course under EWS reservation seats. They will be in addition to the total approved intake (i.e., supernumerary).

§No scholarship will be admissible to candidates of EWS/supernumerary category (Annexure - IX)

ADMISSION REQUIREMENTS:

ELIGIBILITY CRITERIA FOR VARIOUS COURSES

Bachelor of Pharmacy (B. Pharm.) / Diploma in Pharmacy (D. Pharm.) / Bachelor of Pharmacy (Ayurved) - [B. Pharm. (Ayu.)] / Bachelor of Business Administration (BBA) in Community Healthcare / Bachelor of Medical Laboratory Technology (BMLT) / Diploma in Medical Laboratory Technology (DMLT)

A candidate seeking admission to First Semester of above mentioned courses must have passed:

Senior School Certificate Examination of the Central Board of Secondary Education, New Delhi (12 year Course) or the Indian School Examination with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and/or Biology (P.C.B. / P.C.M.B.) as optional subjects with **55% or above marks* in aggregate (theory and practical) and individually in three science subjects** (Physics, Chemistry and Biology or Mathematics) from Recognized Schools in the National Capital Territory of Delhi.

OR

10+2 examination conducted by the respective state / central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M.) and/or Biology (P.C.B. / P.C.M.B.) as optional subjects with **55 % or above marks* in aggregate (theory and practical) and individually in three science subjects** (Physics, Chemistry and Biology or Mathematics).

OR

Any other equivalent qualification including National institute of Open School approved by the Pharmacy Council of India as equivalent to any of the above examinations.

OR

Intermediate examination in science from Indian Universities or with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M.) and/or Biology (P.C.B. / P.C.M.B.) as optional subjects with 55 % or above marks* in aggregate (theory and practical) and individually in three science subjects (Physics, Chemistry and Biology or Mathematics).

Candidates who have been awarded grades in the examination which make them eligible for admission should also submit conversion certificate of numerical marks from the concerned authority.

Provided that a student should have completed 17 years of age on the date of admission or should complete the age of 17 years on or before 31st December 2021.

** A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission.*

Bachelor of Physiotherapy (B.P.T.)

A candidate seeking admission to First Semester Bachelor of Physiotherapy (BPT) must have passed:

Senior School Certificate Examination of the Central Board of Secondary Education, New Delhi (12-year Course) or the Indian School Examination with English as one of the subjects and Physics, Chemistry, and Biology (P.C.B.) as optional subjects with **55 % or above marks* in aggregate (theory and practical) and individually in three science subjects** (Physics, Chemistry and Biology) from Recognized Schools in the National Territory of Delhi.

OR

10+2 examination conducted by the respective state / central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, and Biology (P.C.B.) as optional subjects with 55% or above marks* in aggregate (theory and practical) and individually in three science subjects (Physics, Chemistry and Biology).

OR

Any other qualification approved by the Delhi Council for Physiotherapy and Occupational Therapy, as equivalent to any of the above examinations.

OR

Intermediate examination in science from Indian Universities or with English as one of the subjects and Physics, Chemistry, and Biology (P.C.B.) as optional subjects with 55% or above marks* in aggregate (theory and practical) and individually in three science subjects (Physics, Chemistry and Biology).

Candidates who have been awarded grades in the examination which make them eligible for admission should also submit conversion certificate of numerical marks from the concerned authority.

Provided that a student should have completed 17 years of age on the date of admission or should complete the age of 17 years on or before 31st December 2021.

** A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission.*

Note:

- a) The candidate having supplementary / compartment in the qualifying examination shall not be eligible for admission in the University teaching department.
- b) Migration of students will be governed by the Rules and Regulations of DPSRU, New Delhi.

Basis of Selection

The merit list of candidates seeking admission to B. Pharm. / D. Pharm. / Bachelor of Pharmacy (Ayurved) - B. Pharm. (Ayu.) / Bachelor of Business Administration in Community Healthcare (BBA) / Bachelor of Medical Laboratory Technology (BMLT) / Diploma in Medical Laboratory Technology (DMLT) will be prepared on the basis of **aggregate of the three subjects (theory and practical taken together) Physics, Chemistry and Biology / Mathematics**. If candidate has taken both mathematics and biology, the best of two will be considered for third subject after Physics and Chemistry. However, in BPT only Biology will be considered as third Subject after Physics and Chemistry.

B. Pharm. Lateral Entry

A candidate seeking admission to B. Pharm. Lateral Entry (to Second Year/Third semester) must have passed D. Pharm. course as per PCI norms. 85 % seats will be reserved for those who have passed D. Pharm. from DPSRU. 15 % seats will be open to other institutes from Delhi or outside from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act as per regulation 4.B. of the Bachelor of Pharmacy course Regulations, 2014.

The merit will be prepared only on the basis of second year D. Pharm. examination only.

Master of Pharmacy (M. Pharm.) / M.B.A. (Pharmaceutical Management) / MBA – Pharma Economics and Trade

Eligibility Criteria for Admission

A candidate seeking admission to First Semester must have passed:

- a) B. Pharm. Degree examination of an Indian University established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55 % of the maximum marks*(Aggregate of

II, III and IV yrs/or III to VIII semesters of B. Pharm.)

- b) Every student, selected for admission to post graduate pharmacy program in any PCI approved institution should have obtained registration with the State Pharmacy Council or should apply for the registration of the same within one month from the date of his/her admission, failing which the admission of the candidate shall be cancelled.

It is mandatory to submit a migration certificate obtained from the respective university where the candidate had passed his/her qualifying degree.

It is also mandatory to submit mark sheet (provisional mark sheet from the University permitted) at the time of submission of application.

** A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission.*

Note: *If the seats remain vacant in the “MBA - Pharma Economics and Trade” course after being filled by B. Pharm. students, the remaining vacant seats can be filled by the science graduates (minimum 3 years course in any discipline) with minimum 55% aggregate marks.*

Basis of Selection

The merit list of candidates for admission will be in accordance with the following criteria:

For GPAT qualified candidates: The merit list will be prepared on the basis of GPAT Rank/Score secured.

For Non-GPAT candidates: The merit list will be prepared on the basis of aggregate of marks obtained in II, III and IV yrs (or III to VIII semesters of B. Pharm.).

The calculation of CGPA to percentage (%) will be as follows:

$CGPA = \frac{\text{Sum of SGPA's of 3}^{rd} \text{ to } 8^{th} \text{ Semesters}}{\text{Number of Semesters}}$

Percentage (%) = (CGPA x 10)

For any other formula the candidate has to give the documented proof of the formula prescribed by their university. The decision of the DPSRU authority will be final and binding.

Candidate seeking admission to the M. Pharm., MBA in Pharmaceutical Management and Pharma Economics and Trade course must have passed the Bachelor of Pharmacy examination with at least 55% in the aggregate of theory and practical of II, III and IV year/III to VIII Semester from PCI approved Institute / University.

GPAT qualified candidates shall be considered for admission first

15% of the total seats will be filled by Non-Delhi candidates (including from NCR of Delhi) with valid GPAT score and have completed B. Pharm. examination with 55% from PCI/AICTE recognized University/Institute.

Remaining 85% of the total seats will be filled by graduates passed out from Delhi Colleges/Universities with valid GPAT score in order of preference of disciplines.

Out of 85% seats of Delhi category, 70% seats will be given to DIPSAR/DPSRU candidates and remaining 15% will be reserved for Delhi Non-DPSRU candidates from NCT of Delhi.

In case of more than one candidate with the same score, preference will be given to the candidate who is older in age.

If 70% seats out of 85% seats of Delhi category have not been filled up with GPAT candidates of Delhi and seats are vacant, the non-DPSRU GPAT Delhi candidates shall be considered for admission. If the seats of Delhi category, even after considering non-DPSRU GPAT Delhi candidates remain vacant, they shall be offered first to Delhi non-GPAT candidates of DPSRU. Further, the seats will be offered as per the sequence is given here as under:

The Non-GPAT seats will be offered on the conditions that they will not be given any scholarship from the University.

The merit list for Non-GPAT candidates will be prepared on the basis of total of theory and practical examination of II, III, IV year (or III to VIII semesters).

Age Requirement

Candidates seeking admission to M. Pharm. / M.B.A. (Pharmaceutical Management) / MBA – Pharma Economics and Trade course must be more than 21 years of age as on 31st December 2021.

Display of Merit List

The final merit list for all categories of M. Pharm. / M.B.A. (Pharmaceutical Management) / MBA-

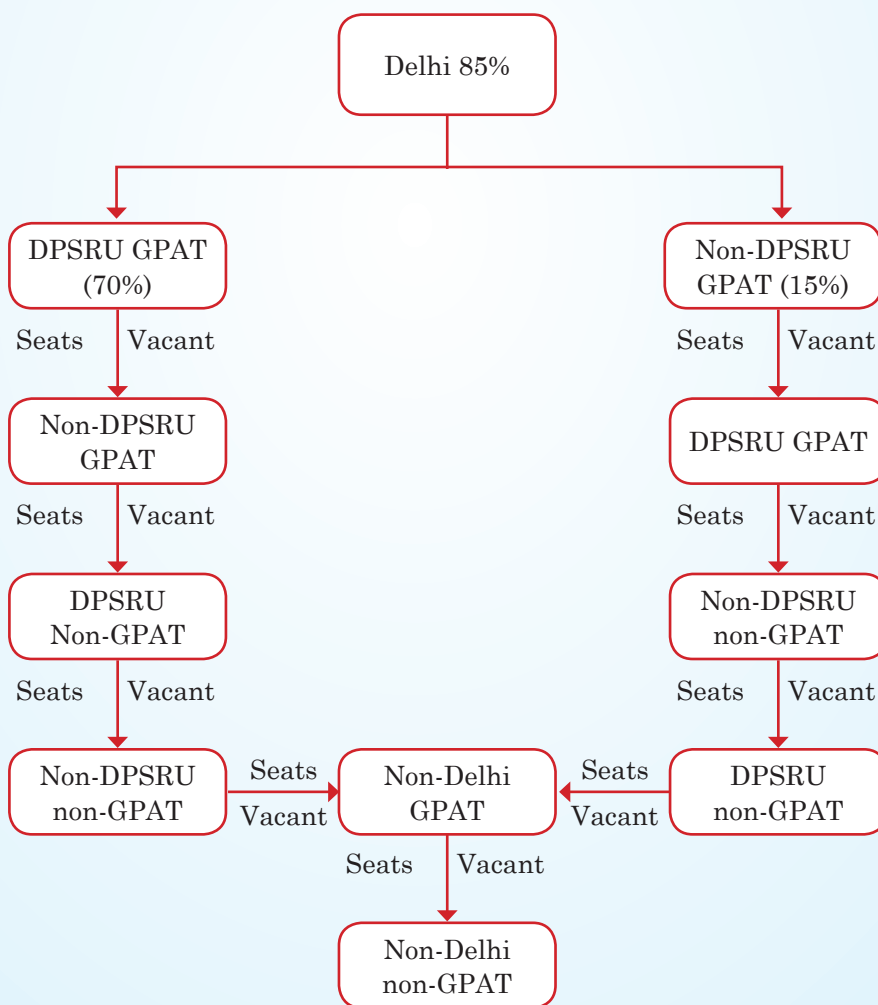

Pharma Economics and Trade will be displayed on the Notice Board / Website of the University. Admission to various courses will be offered to the candidates strictly according to the order of merit given in the merit list.

Candidates will not be eligible for admission if documents are not complete on the last date of application.

Executive Master of Pharmacy (Executive M. Pharm.) in Drug Regulatory Science

Eligibility Criteria of admission

A candidate seeking admission to First Semester Executive M. Pharm. in Drug Regulatory Science must have passed:

- a) B. Pharm. Degree examination of an Indian University established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55 % of the maximum marks* (Aggregate of II, III and IV yrs / or III to VIII semesters of B. Pharm.).
- b) The candidate must be in the service as pharmacist, preferably in the regulatory division for at least 3 years.
- c) The candidate should be sponsored by their employer (Pharmaceutical industry / Government organizations).#
- d) Applications of the persons already in government service should be forwarded through their employees. The forwarding authorities should also certify that the entries in the application have been verified from the records and found correct, and that no disciplinary/vigilance proceedings are either pending or contemplated against the officer as well as no major/minor penalties imposed on the officer during the last ten years or the period of service, whichever is less.

It is mandatory to submit a migration certificate obtained from the respective university where the candidate had passed his/her qualifying degree. It is also mandatory to submit marksheet at the time of submission of application.

** A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission.*

#Sponsored/ recommended candidates must provide NOC from the employer.

Basis of Selection

The merit list of candidates for admission will be in accordance with the following criteria.

- 50% weightage for marks in theory and practical taken together in II, III and IV years (or III to VIII semesters)
- 50% weightage for experience in Pharmaceutical industry / government

organizations like CDSCO / State FDCA etc.

In case more than one candidate with the same score, preference will be given to the candidate who is older in age.

No scholarship or contingency shall be provided by the university.

Age Requirement

Candidates seeking admission to Executive M. Pharm. in Drug Regulatory Science course must be more than 21 years of age as on 31st December 2021.

Masters in Hospital Administration (M.H.A.) / Masters in Public Health (M.P.H.)

Eligibility Criteria for Admission: A candidate seeking admission to First Semester, must have passed:

- a) B. Pharm. / M.B.B.S. / B.D.S. / B.H.M.S. / B.U.M.S. / B.A.M.S. / B.P.T. Degree examination of an Indian university established by law in India from an institution approved by their respective Councils of India (PCI, MCI, DCI, AYUSH, Homoeopath, Ayurved, Unani councils, DCPT& OT) and has scored not less than 55 % of the maximum marks.*
- b) Every student, selected for admission to post graduate program in any council approved institution should have obtained registration with the State Council or should obtain the same within one month from the date of his/her admission, failing which the admission of the candidate shall be cancelled.

It is mandatory to submit a migration certificate obtained from the respective university where the candidate had passed his/her qualifying degree.

** A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission*

Post Graduate Diploma in Plant Tissue Culture

Eligibility Criteria of admission

A candidate seeking admission to First Semester PG Diploma in Plant Tissue Culture must have passed:

- B. Pharm./B. Sc. (Agriculture, Botany, Microbiology, Biotechnology)

Candidates seeking admission to Post Graduate Diploma in Plant Tissue Culture course must be more than 20 years of age as on 31st December 2021.

M.Sc. in Artificial Intelligence and Precision Medicine

Eligibility: Any graduate in Science, Engineering, Pharmacy, Medical Science, Veterinary Science or equivalent are eligible for admission to First Semester M.Sc. in Artificial Intelligence and Precision Medicine.

Candidates seeking admission to M.Sc. in Artificial Intelligence and Precision Medicine course must be more than 20 years of age as on 31st December 2021.

Master of Physiotherapy (MPT) in Sports Medicine

Eligibility: Candidates seeking admission to MPT in any specialty must have the degree of Bachelor of Physiotherapy (BPT) from a recognized institute or university with a minimum of 55 % in aggregate.

Age Requirement

Candidates seeking admission to Master of Physiotherapy (MPT) in Sports Medicine course must be more than 21 years of age as on 31st December 2021.

Doctor of Philosophy (Ph.D.)

DPSRU is known for innovative and ground breaking research activities. Being the first

pharmaceutical University of India, DPSRU enjoys an outstanding reputation as a center for academic and research activities. The thrust areas of research at DPSRU include clinical research and pharmacological investigations, development of novel nano-formulations, drug discovery through synthetic chemistry, herbal drug research and regulatory studies for new drugs.

DPSRU offers Ph.D. in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Clinical Research, Biotechnology, Drug Regulatory Affairs, Quality Assurance, Physiotherapy, Management and other allied subjects in the regular mode.

Regulations for Admission and Completion of Ph.D. in DPSRU

The candidates who desire to enroll for the Ph.D. programme in the University must have Master's degree with at least 60% marks in Pharmaceutical Sciences or Business Studies or Hospital Administration or Physiotherapy or any other allied subject. Applications for admission in Ph.D. are invited in the month of October-November.

The Ph. D. candidates are enrolled after successfully passing (minimum qualifying marks are 50%) the pre-Ph.D. entrance examination followed by personal interview. The candidates having fellowships from the Central/State Government agencies and those qualified with GPAT or GATE and having a valid score may be exempted from appearing for the pre-Ph.D. entrance examination but not from personal interview. During the personal interview, the candidates are required to discuss their research interest/area through a presentation before a duly constituted expert committee. The enrolled candidates will have to seek consent letter from the Ph.D. guides at DPSRU. The number of seats for Ph.D. depends on the availability of the vacancies under supervisor. The registered

Ph.D. candidates will then undertake their research work.

The enrolled candidates will have to undergo a pre-Ph.D. course work of one semester duration. This course includes modules on Research methodology, Biostatistics, Computer applications, Communication skills, IPR, Entrepreneurship, and Advances in Pharmaceutical Sciences and Current topics on subject of specialization.

At the end of pre-Ph.D. course, a pre-PhD examination will be conducted. The final registration as a Ph. D. candidate will be subject to passing the pre-Ph.D. course exam, submission of the consent letter from the research guide and submission of a write up and presentation of the proposed researchwork.

During the Ph.D., every candidate is required to show continuous progress of work to the supervisor and submit half yearly report to the DSRC with the approval of supervisor. Further, the progress of Ph.D. research work is monitored by University Research Advisory Committees (URAC). The Ph.D. degree will be awarded to the candidates who regularly present their work to the Doctoral Student and Research Committee (DSRC), have research and review publications in referred journal (as per UGC-CARE list), submit their thesis and successfully defend it in front of the Ph.D. viva committee. After the completion of research work, the supervisor organizes pre-thesis seminar, to appraise about researchwork in front of DSRC. If DSRC satisfies with pre-thesis seminar, the report on the pre-thesis seminar is placed in front of URAC for approval. A minimum of 4 DSRC meetings are conducted during Ph.D. The research scholar can submit the thesis within a maximum period of 6 months from the date of submission of pre-thesis synopsis after approval.

The university checks to detect any plagiarism or any other forms of academic misconduct in the submitted thesis. After the submission of thesis, viva-voce examination is conducted and all the

reports of examiners are placed before URAC to award the degree with the approval of Academic Council. The university has a provision to submit soft copy of Ph.D. thesis to UGC within a period of 30 days, for hosting the same on INFLIBNET, accessible to all Institutions/Universities. The candidate has to submit the thesis within a period of five years, but not before two years from the date of his/her registration.

A separate information and notification will be published for the admission in PhD.

SPORTS PHARMACY AND MANAGEMENT SKILLS PROGRAMS

University through academy of sports sciences research and management (ASSRAM) offers Diploma in Sports Pharmacy, Diploma in Sports Management, B. Sc. (Hons.) Sports Science and M. Sc. Sports Science. ***A separate prospectus and notifications will be published.***

DPSRU INNOVATION AND INCUBATION FOUNDATION (DIIF)

The Delhi Pharmaceutical Sciences and Research University (DPSRU) is host to the DPSRU Innovation and Incubation Foundation (DIIF), an early-stage incubator focusing on incubation and entrepreneurship in healthcare, pharmaceuticals and wellness.

DIIF is committed to create mutually productive and beneficial partnerships with business, industry and community organizations to support new ideas, research and development. This approach adopted across the University that has led to the growth and development of a strong culture of entrepreneurship at the University fostered by engaging with a broader ecosystem in the community.

DIIF is also a host to BIRAC BIONEST funded DPSRU Bioincubator. The overall goal of Bioincubator is to support the development of new entrepreneurs and create investment-

ready scalable and sustainable ventures while harnessing DPSRU's unique strengths and capabilities in the research and scientific realm. Specifically, Bioincubator will focus on the following areas:

- Healthcare
- Devices
- Diagnostics
- Mobile Applications
- Pharmaceuticals
- Drugs and Vaccines
- Cosmeceuticals and Nutraceuticals
- Sports Science, Physiotherapy and Yoga Wellness
- Waste Management

Key Activities/Services Provided by DIIF to Incubatees are as follows:

- Secretarial Services
- Mentor's support-Workshops/seminars and direct guidance
- Infrastructural/Facility based services like –officespaces, internet etc.
- Skill trainings
- Networking activities
- Financing/Seed Funds/Access to Venture Capitalists etc.
- Education/Access to Knowledge related to ideation to concept to validation of product commercialization
- Entrepreneurship trainings
- IPR related support
- Hands on working at Entrepreneur Cell

CERTIFICATE COURSES IN YOGA

University is currently running 6-month certificate courses. Student can get admission for courses starting from July 2021 or January 2022.

Candidate has to submit application form with requisite fee of Rs. 4000/- (including examination fee). A maximum of 30 students can be enrolled at

a time. Admissions will be given on the first-cum-first basis.

DPSRU (WCSC) Certificate Courses:

The Government of NCT, Delhi initiated the development of “World Class Skill Centre” (WCSC) in Delhi to address the shortage of skilled manpower. The setting-up of this World Class Skill Centre in Delhi Pharmaceutical Sciences and Research University (DPSRU), New Delhi as a nodal centre under the sector “Health and Wellness” fulfilling its objective and create the skilled people that is the valued assets and sustain the economic growth and social development of the country. DPSRU-WCSC centre provided better levels of skills that might be adjusted more effectively to the challenges and opportunities of globalization in terms of various types of certificates courses that are multi-disciplinary course in their respective field.

1. Medicine Management
2. Beauty Wellness Consultant
3. Sports Assessment & Yoga Application

All these courses developed by DPSRU with fulfilling all the norms. The courses offered by the DPSRU-WCSC centre evolved as per the requirements of the industry and fitted with recent facilities and fulfil the market demand. The adopted methodology was self-reliant learning with a focus on peer learning. The course was conducted in the English language. Assistance was provided to all trainees for placement in respective sector and start-ups for gainful employment. The infrastructures present in DPSRU-WCSC centre is based on the pattern of recent concepts “A Global Leader for Innovations in Technical Education” that based on a holistic “Hands-on, Minds-on, Hearts-on”. The centre equipped with the latest projectors smart classroom, high-level experimental labs with the latest Training and research equipment and much more mandatory to meet the environment and to achieve their best.

Eligibility criteria:

- a. **Medicine Management:** Pass in 12th or equivalent from a recognized board in India having Science Stream with Biology/Maths Background with a minimum of 50% in aggregate.
- b. **Beauty Wellness Consultant:** Pass in 12th or equivalent from a recognized board in India with any stream with a minimum of 50% in aggregate.
- c. **Sports Assessment & Yoga Application:** Pass in 12th or equivalent from a recognized board in India with any stream with a minimum of 50% in aggregate.
 - **Nature:** Regular and full time
 - **Duration:** One Year
 - **Age : a.** The minimum age limit is 17 years as on 31st Dec. 2021 and the upper age limit is as given below:

| Gender | Category | Upper age limit |
|--------|-------------|-----------------|
| Male | SC/ST/PwD | 29 |
| Male | General | 24 |
| Male | OBC | 27 |
| Female | SC/ST/PwD | 35 |
| Female | OBC/General | 30 |

PwD: Person with Disability

- **Total Seats:** 40 (Forty only) in each certificate course and reservation policy as per state governments rules.
- **Admission Procedure:** Admissions in the Certificate courses are done in following manner:
 - Enrolment in certificate programs is simply done by applying on the website of the course provider.
 - University might enrol the students on a merit basis based from 12th class as per DPSRU norms.

Course commencement: The information will be updated on website.

Course Fee: 20,000 Rs. for 1 year certificate course

Course related queries can address to email: coo.dpsru@gmail.com

DPSRU-AHERF POSTGRADUATE DIPLOMA IN CLINICAL RESEARCH (PGDCR)

This is the course developed by DPSRU in collaboration with Apollo Hospitals Educational and Research Foundation (AHERF). AHERF is a not-for-profit research organization recognized by the Department of Scientific and Industrial Research (DSIR), established in 1992, focused on basic, translational and epidemiological research. AHERF has been training people in various para-medical courses throughout the country.

This one-year full time, multi-disciplinary course in Clinical Research will be in a public-private partnership mode with involving AHERF, academia & industry and government regulatory agencies. AHERF has successfully developed thousands of health professionals and conducted notable clinical and epidemiological research studies for the betterment of human populace. Following are the key features of the program:

- Proven track record of providing education in internationally accredited hospital environment
- Standardized course content
- Teaching by a mix of experts from Academia, Industry, Institution and Regulatory field
- Unmatched Experience of Internship at ARI Clinical Trial Unit
- Comprehensive and wide network of hospitals with industry collaboration
- Excellent placement record of previous batches Course Description

Clinical Research is the branch of health sciences that evaluates the safety and efficacy of medicines, devices, diagnostic products and treatment regimens intended for human use. In the light of information and data explosion, there is everlasting need to carry out research by and for the pharmaceutical and biomedical industry not only for better marketing but also for the welfare of the patients and public health. Clinical research aids this process of development through its activities traversing from the ethics, conduct, management of men and material, data and its analysis and finally the report generation. This has a direct impact on products/molecules reaching the pharmacy outlets. This course (Post-Graduate Diploma in Clinical Research (PGDCR)) has been designed to fill up the demand and supply gap amongst medical and paramedical researchers, clinicians and health administrators. Apollo Hospitals Educational and Research Foundation (AHERF), has successfully executed this program for with more than 25 batches over the past 10 years, offered in five cities Ahmadabad, Chennai, Hyderabad, Kolkata and New Delhi.

Course Objectives

- To train research professionals and equip them with critical skills needed for the clinical research
- To promote ethics and values in research in hospitals through Good Clinical and Laboratory Practices (GLP & GCP).
- To collaborate with the pharma industry and provide hands on experience to the students and researchers and thereby to provide job ready clinical researchers.

Admission Procedure:

The admission process is done on the basis of merits of academic qualification and experience with entrance test, Group Discussion and Personal Interview conducted by AHERF

Eligibility: B.Sc./M.Sc. (Life Sciences) / MBBS / BAMS/ BHMS / BDS / BPT / B. Pharm. from a recognized University with minimum 55% of marks

Seats: 25 students in a batch

Course commencement: The information will be updated on website.

Registration Fee: Rs.500/- payable at the time of submission of the application form.

Course Fee: 1 lac plus taxes can be paid by DD in favour of Apollo Hospitals Educational and Research Foundation.

The course content: Course work is subdivided into the various modules of Theory (T), Practical (P) and Laboratory and Hands-on Training (L)). Theory classes will comprise classroom lectures and tutorials. Other co-curricular activities include

- Student Seminars and Journal Club
- Communications Skill Workshop
- Seminars by Professionals from Industry

Course related queries can address to email: crcourse.delhi@aherf.net

NEW COURSES IN UNIVERSITY

DPSRU is introducing new courses for the academic session 2021-22 as per the approval of Academic Council and Board of Governors of University.

The following are the programmes for the academic session 2021-22:

- Diploma in Medical Laboratory Technology (DMLT)
- Bachelor of Medical Laboratory Technology (BMLT)
- Bachelor of Business Administration (BBA) in Community Healthcare

- Bachelor of Pharmacy (Ayurved) - [B. Pharm. (Ayu.)]
- MBA – Pharma Economics and Trade
- Executive M. Pharm. in Drug Regulatory Science
- PG Diploma in Plant tissue culture
- M.Sc. (Artificial Intelligence and Precision Medicine)
- Master of Physiotherapy (MPT) in Sports Medicine

New Courses in School of Allied Health Sciences, Delhi Pharmaceutical Sciences and Research University for Prospectus

1. *Diploma in Medical Laboratory Technology (DMLT)*

Diploma in Medical Laboratory Technology or DMLT is a 2-year diploma programme which provide skill-oriented training and develop skilled professionals ready to work in hospitals, laboratories, public and private health facilities and industrial laboratories. The Program aims to fill the gap between the demand for skilled manpower and the supply of industry-ready candidates in the paramedical healthcare sector.

Program Highlights:

- The Program demonstrate technical skills, social behaviour, and professional awareness imperative upon a laboratory technician.
- Enable students to Perform routine clinical laboratory procedures within acceptable quality control parameters in haematology, biochemistry, pathology and microbiology.
- The course provides knowledge of diagnostic instruments and procedures and impart required proficiency in handling those instruments to enable these students to work in various laboratory settings.
- Prepares the students for career options ranging from the entry level Junior Medical

laboratory Technologist to Chief Technical Officer.

Duration of Course: 2 years (Including Compulsory internship in accredited laboratory/hospital of 3 months duration)

Pattern: Semester system (4 semesters)

Student Intake: 60

2. *Bachelor of Medical Laboratory Technology (BMLT)*

Bachelor of Medical Laboratory Technology (BMLT) is a 3-year undergraduate programme designed to impart experiential learning to the students in order to develop a desired workforce to combat ever increasing demand of medical laboratory technologists in the healthcare sector. The program aims to provide the students with sufficient knowledge and skills to carry out routine laboratory diagnostic procedures and some sophisticated laboratory diagnostic procedures.

Program Highlights:

- The programme is designed with specific inputs from industry experts, based on the latest technologies available and in practice, for individuals interested in entering the field of clinical laboratory science.
- The programme will train the students to become Medical Laboratory Technologists who assist physicians in labs and are responsible for performing laboratory investigations relating to diagnosis, treatment of diseases by performing various tests and recording results.
- The programme also deals with new advances in Management of Laboratories and instrumentation.
- Regular clinical Laboratory posting included as a part of curriculum to inculcate practical skills and practice techniques on diagnostic investigations, laboratory responsibility and supervision.

- Prepares the students for career options ranging from the direct level Medical Laboratory technologists to Chief Technical Officer.

Duration of Course: 3 years (Including Compulsory internship in accredited laboratory/hospital of 6 months duration)

Pattern: Semester system (6 semesters)

Student Intake: 60

Provision of Lateral Entry for Diploma holders (DMLT holders)

3. BBA-Community Healthcare

BBA in Community healthcare is a 3-year bachelor degree program that equip students for community-focused care to enhance healthcare services. The program is aimed to produce public health graduates of highest academic, technical and practical skills. The curriculum designed in conjunction with academia and health care industry experts provides the opportunities for the students to master new skills and explore varied perspectives in public health care management.

Program Highlights:

- First program of its kind in India.
- Program is rightly designed to produce middle level young professionals who can work for the prevention of the disease and promotion of disease control strategies.
- The program trains students for evaluating, presenting and researching data related to community healthcare management.
- Develop skills in designing, analyzing and evaluating applied public health science research and management.
- The emphasis is on practical knowledge, field visits, personalized learning and gives an opportunity for students to participate in basic, translational, interdisciplinary, community-oriented education and research.

- Gives ample career opportunities as Health care managers, Health Educators and Community Health Workers, Social and Community Service Managers, health care analyst etc.

Duration of Course: 3 years (Including Compulsory Summer Internships and field work)

Pattern: Semester system (6 semesters)

Student Intake: 40

4. MBA- Pharma Economics and Trade

MBA-Pharma Economics and Trade is a 2 year Post graduate Program designed to equip students with essential management skills with a specialist pharma focus on international business. The program is designed to develop the resources and capability of managers in the global Pharmaceutical business.

Program Highlights:

- The program caters to the managerial needs of National and International Pharmaceutical and healthcare Industry.
- The Program develop the knowledge, skill and competencies of young professionals to work in the dynamic Pharmaceutical business arena across the globe.
- The curriculum trains young professionals for decision making positions in pharmaceutical industries by providing a deep understanding of outstanding management capabilities in critical business functions including National and International pharmaceutical business,regulatory frameworks ,finance, accounting, International economics and marketing.
- Prepares the students to opt for careers in pharmaceuticalandhealthcareindustries as National and International Pharmaceutical Business Managers, International business consultant, Pharmaceutical Data Analyst, Global Business Mangers, Pharmaceutical

Business Economist and Pharmaceutical Portfolio Managers. This specialization provides the great opportunity to work in a global market and across the world.

Duration of Course: 2 years

Pattern: Semester system (4 semesters)

Student Intake: 20

Executive M. Pharm. in Drug Regulatory Science:

Objective: The prime aim of this course is to prepare the candidates for pharmaceutical world globally by strengthening regulatory skills along with the knowledge enhancement. It provides an opportunity to the candidates to learn about recent developments in regulatory sciences and its application in pharmaceutical scenario. The programme is the best opportunity for those meritorious candidates who had not been able to complete their masters because of any reason. This would help the candidates to enhance their knowledge by entering the school once again and thereafter serving their organization in a better way.

Course Curriculum

The curriculum for Drug Regulatory Science shall be on the similar lines as defined by Pharmacy Council of India. Theory classes will comprise lectures - both classroom as well as online.

Topic wise highlight of the course is as follows

- Drug Regulations governed by US Food & Drug Administration, European Medicine Agency, and National Competent Authorities of Europe, India, ASEAN region
- Compilation of dossier for submission to Drug Regulatory Agencies. Detailed understanding of various administrative and technical documents pertaining to the same.

- Good Pharmaceutical Practices
- Regulatory Aspects of Food & Nutraceuticals
- Regulatory Aspects of Medical Devices

Duration of course: 2 years or more (depending on the passing of modules by the candidate)

Pattern: Semester system

Student intake: 20

PG Diploma in Plant Tissue Culture:

Plant Tissue Culture has become an important alternative where any plant species can be cloned and a large number of genetically uniform disease-free plants can be obtained within a short period of time. The technique enables production of plants in a small laboratory space round the year, independent of the season. The technique has been widely applied for large-scale production of quality plants including fruit plants, ornamentals, plantation crops, tree species, spices and condiments. The demand for tissue culture derived plants has been growing exponentially across the globe. A large number of tissues culture-based industries have been engaged in commercial production of selected plant species in India and abroad. There is a huge demand for trained manpower in this sector. The course being offered will train manpower suited to the needs of the industry so that the trained personnel become employable. In addition, the course will also provide advanced training to become an entrepreneur in the said area.

- Duration of course: 1 year
- Pattern: semester system

M.Sc. in Artificial Intelligence and Precision Medicine

Master of Science (MSc) in Artificial Intelligence and Precision Medicine will provide training in the principles of AI and precision and stratified medicine and the clinical impact of individual molecular and lifestyle variability.

Research, education, employment, and investment has increased significantly in the area of Artificial Intelligence. It has been reported that global investment in AI start-ups grew from €1.2 billion in 2010 to €36.7 billion in 2018. During the COVID-19 crisis, China and the United States have taken a lead in using AI for automated diagnosis, exploring vaccines and treatments, and predicting disease development in society and individuals.

This course aims to train individual in applying concepts of Artificial intelligence in development of pharmaceuticals, diagnostics and precision medicine.

In view of improved understanding of the molecular basis of disease, drug mechanisms and precision medicine in recent past, there is a shortage of qualified persons who are able to translate this knowledge into effective clinical utilization. Hence, this programme has been designed with the aim is to train the future scientists able to fast-track biological and scientific insights into advanced therapies and diagnostic tools.

The MSc course consists of four semesters with subjects varying from basic understanding of AI and Machine learning to understanding genetics and genomics, pharmacology of drug action, precision diagnosis and precision medicine, bioinformatics, drug discovery taught during four semesters. In addition to specialized courses, students have to undertake a research project in the last semester.

After completing the course, a candidate can choose from a range of projects covering areas such as the use of gene expression profiling, proteomics, metabolomics, pharmacogenetics in the biology of diseases such as cancer, cardiovascular disease, infectious diseases, stroke or diabetes. Completing this course will open up a route into Ph.D. research. You may also pursue a career in academia or the

pharmaceutical or biotechnology industries, or as a clinical academic.

- Duration of course: 2 years
- Pattern: Semester system
- Student Intake: 15

Master of Physiotherapy in Sports Medicine

School of Physiotherapy is going to commence Master of Physiotherapy in different specialties including MPT in Sports Medicine. In addition to Sports Medicine, MPT in Cardio- Pulmonary and Rehabilitation is also proposed. The Program is directed towards exposure to training in Specialty Clinical fields to enhance professional competence in order to fulfil requirement for Physiotherapy Education and Practice.

On completion of the course of study having successfully passed the examination, the candidate would be able to function as a consultant in the respective physiotherapy specialty through knowledge. The candidates may work as a Physiotherapist with various sports teams and sports clubs, Physiotherapists practice in many settings such as Government Hospitals, Defence medical establishments, Private hospitals, ICU set ups, Private Practice, Outpatient clinics, Health and Wellness clinics, in the rehabilitation Department., centers for the differently abled, schools for the mentally retarded and physically disabled children, Health institutions, in Multinational companies, Academics, Research Analyst in Research Centers, Schools and Private homes. They can also practice in non-patient care roles like health policy, health insurance, and Health care administration and as health care executives. Physiotherapists are also involved in medical legal field serving as expert and performing peer reviews.

- Duration of the course: 2 years
- Pattern: Semester system
- Student Intake: 5

HOW TO APPLY

No offline application form would be available.

There shall be only online Application with Single window admission system

Candidates shall visit <http://dpsru.edu.in> and apply online to the University for admission and pay the fee of Rupees 1000/- (Rupees one thousand only) through Net Banking / Debit Card / Credit Card as required in the online process. No print of form will be required to be sent to the University. The acknowledgement slip generated online as a proof of payment while submitting the online application form, MUST be retained/saved by the candidate for future reference.

Last Date for applying for UG courses will be as mentioned in “Schedule of admission”. There will be a common form for all the UG courses i.e. D. Pharm., B. Pharm., B.P.T., B. Pharm. (Ayu.), DMLT, BMLT and BBA.

There is a common form for all PG Courses i.e., M. Pharm., Pharm. MBA, MHA, MPH, MPT, MBA in Pharma Economics and Trade, PG Diploma, Executive M. Pharm. in DRA, M. Sc. in Artificial Intelligence and Precision Medicine.

Application forms for D. Pharm., B. Pharm. B.P.T., B. Pharm. (Ayu.), DMLT, BMLT, BBA, M. Pharm., Pharm. MBA, MHA and MPH, MPT, PG Diploma, Executive M. Pharm. in

Drug Regulatory Science and M. Sc., in Artificial Intelligence and Precision Medicine courses will be submitted online with scanned copies of Mark Sheet, Date of Birth, Category Certificate and GPAT Score Card (for M. Pharm. and MBA in Pharmaceutical Management only), if any and NOC from Employer as per Annexure VIII (in case of Executive M. Pharm only). Incomplete application forms without scanned copies will not be accepted. At the time of admission, all the original certificates and undertakings should be brought failing which admission will NOT be given and NO request / relaxation will be entertained in this regard, along with Annexure given in the prospectus (Annexure I to III). In respect of M. Pharm and lateral entry students of B. Pharm., there is a mandatory requirement to submit an undertaking for Pharmacist Registration Certificate within one month of admission in respective course as per the Annexure-IV.

Admission will be made strictly according to the merit, i.e. aggregate marks (theory and practical) obtained in the qualifying subject prescribed for admission to the course subject to the reservations.

The consolidated merit list on the basis of the aggregate in the qualifying subjects including general and reserved candidates shall be displayed on the notice board / website on the date indicated.

GUIDANCE FOR THE CANDIDATES AT THE TIME OF ADMISSION

ADMISSION PROCEDURE

Candidate should be present at the reception counter within auditorium on the admission date specified, by 9.00 A.M. as per the notice put up at the admission center

1. List of original testimonials required at the time of seeking admission (B. Pharm. / B.P.T. / D. Pharm. / Bachelor of Pharmacy (Ayurved) - [B. Pharm. (Ayu.)] / BBA in Community Healthcare / BMLT / DMLT / WCSC Certificate courses are as under:
 - a. 10th Marksheet / Date of birth certificate
 - b. Marks statement of 10+2 / intermediate / 12th class
 - c. Migration certificate
 - d. Provisional Certificate from the school last attended
 - e. Proof of gap period, if any, after passing the 12th class
 - f. Character Certificate from the school last attended
 - g. Medical Certificate from a medical practitioner holding a degree not below MBBS (Annexure I)
 - h. Two passport size photographs (unattested, colored).
 - i. Acknowledgment slip
 - j. Caste Certificate
 - k. Non-creamy Layer Certificate for OBC candidate, issued after 1st January 2021 from competent authority from Delhi only (in case of Delhi candidates)
 - l. Any other Certificate in respect of the claim made by the candidate.
 - m. A copy of Aadhar Card
2. List of original testimonials required at the time of seeking admission (M. Pharm., / M.B.A. (Pharmaceutical Management) / MBA – Pharma Economics and Trade / Executive M. Pharm. in Drug Regulatory Science) are as under:
 - a. 10th Marksheet / Date of birth certificate
 - b. Marks statement of B. Pharm. / Minimum eligibility course.
 - c. GPAT score card indicating cut off for that year, if applicable
 - d. Migration certificate
 - e. Provisional Certificate from the College / Institute / University last attended
 - f. Proof of gap period, if any
 - g. Character Certificate from the college / institute / University last attended
 - h. Medical Certificate from a medical practitioner holding a degree not below MBBS (Annexure I)
 - i. Two passport size photographs (unattested, colored).
 - j. Acknowledgment slip
 - k. Registration with state pharmacy or proof of the application sent, if applicable
 - l. *NOC from the employer (Annexure - VIII) for the candidate seeking admission in Executive M. Pharm. (Drug Regulatory Science)*
 - m. Caste certificate
 - n. Non creamy layer certificate for OBC candidate, issued after 1st January 2021 from competent authority from Delhi only (in case of Delhi candidates)
 - o. A copy of Aadhar Card
 - p. Any other Certificate in respect of the claim made by the candidate.
3. List of original testimonials required at the time of seeking admission (Masters in Hospital Administration / Masters in Public Health / MPT / PG diploma in plant tissue culture / M. Sc. in Artificial intelligence and Precision Medicine) are as under
 - a. 10th Marksheet / Date of birth certificate
 - b. Marks statement of concerned graduation course i.e., B. Pharm. /

- MBBS / BDS / BHMS/ BUMS / BAMS / BPT / B. Sc. / B. E. / B. Tech. / B. V. Sc. / B. Sc. and any other equivalent science graduation course
- c. Migration certificate
 - d. Provisional Certificate from the college / institute / University last attended
 - e. Proof of gap period, if any
 - f. Character Certificate from the college / institute last attended
 - g. Medical Certificate from a medical practitioner holding a degree not below MBBS (Annexure I)
 - h. Two passport size photographs (unattested, colored).
 - i. Acknowledgment slip
 - j. Caste certificate
 - k. Non-creamy Layer Certificate for OBC candidate, issued after 1st Jan 2021 from competent authority from Delhi only (in case of Delhi candidates)
 - l. A Copy of Aadhar Card.
 - m. Any other Certificate in respect of the claim made by the candidate.
4. The candidates will be called one by one as per the merit list for admission for the courses.
 5. In cases of candidates having equal marks, the candidate who is older in age will be given preference.
 6. If the seat offered is acceptable, the documents will be checked with originals and all relevant submissions.
 7. The Fee has to be paid then and there only. Provisional admission is complete only when the fee is paid and the roll number is allotted.
 8. No separate intimation regarding the admission selections will be given and all the candidates are advised to see the notice board and website for display of merit list on the dates mentioned in the prospectus elsewhere. The seats are filled strictly in order of merit.
 9. In case of any candidate/student seeking registration / admission on wrong information regarding age, subject and percentage of marks etc. his / her registration / admission will be cancelled at any time when it comes to the notice of the institute / University.
 10. All admissions will be made strictly in order of merit on provisional basis. The admission will be confirmed by the Admission Committee of the University.
 11. If there is any discrepancy in the name in any of the certificate, the same should be clarified by an affidavit brought at the time of admission. No concession for time in this regard will be entertained.
 12. The category once filled up by the candidate in the application form cannot be changed later on. If the candidate fails to produce original supporting category certificates issued from competent authority at the time of admission, he / she will forfeit his claim to the seat. No representation will be entertained in this respect.
 13. If the candidate cancels his / her admission within a month after the fee paid by the candidate, the fee will be refunded after deduction of Rs. 2000/-, after one month no fee will be refunded.

Refund Procedure

The student may apply by submitting an application for cancellation and may request for refund of the fee. The following documents must be enclosed with the application to initiate the process of refund.

- i. Attested photocopy of photo ID proof (Aadhaar card / driving licence / Pan card / voter card/ration card)
- ii. Original fee paid receipt
- iii. Original Admission Slip (OAS)
- iv. Bank pass book front sheet and Cheque leaf (cancelled) of the bank to which transfer of money is to be done

RESERVATIONS

Provision for Scheduled Caste / Scheduled Tribe / Other Backward Class Candidates

22.5% of the total number of seats (15% for Scheduled Castes and 7.5% for Scheduled Tribes) of the course are reserved for Scheduled Caste and Scheduled Tribe candidates. 27% of seats within Delhi category are reserved for OBC students. In case of non-availability of ST candidates, the seats available are to be converted to SC category. In case non-availability of OBC the seats to be converted to general category.

A Scheduled Caste / Scheduled Tribe candidate while applying for registration for any of the course will be required to submit a verified certificate to the effect that he/ she belongs to Scheduled caste / Scheduled Tribe, from the competent authority with the application form. Delhi category students have to produce caste certificate (SC/ST/OBC) from appropriate authority of Govt. of NCT Delhi as given below.* These certificates will be duly verified by the Admission Officers.

- I. District Magistrate / Additional District Magistrate / Deputy Commissioner / Collector / Additional Deputy Commissioner / Deputy Collector / 1st Class Stipendiary Magistrate / Extra Assistant Commissioner
- II. Chief Presidency Magistrate/ Additional Chief Presidency Magistrate/Presidency Magistrate
- III. Revenue Officer not below the rank of Tehsildar. Class Stipendiary Magistrate/ Extra Assistant Commissioner

The Non-Delhi SC / ST candidates have to produce the caste certificate from the competent authority of their respective state. Administrator / Secretary to Administrator / Development Officer (in case of candidate from Lakshadweep and Minicoy Island.

These certificates will be duly verified by the Admission Officers.

**Reservation is subject to circular communicated by Delhi Government and may change at the time of Admission if any alterations are made in the policy before the opening of the admission forms filling.*

Defence Category

Provision for Children / Widows of the Officers and men of the Armed forces including paramilitary personnel killed or disabled during hostilities and also who died on duty (Defence Category).

- I. The Children / Widows of the officers and men of the Armed Forces including paramilitary personnel killed or disabled during hostilities and also who died in duty will be given concession of 5% marks in the minimum eligibility conditions as per the rules of university.
- II. Children / Widows of Officers and men of the Armed Forces including para-military personnel who died while on duty will be considered for admission against 5% seats for all the Armed forces including paramilitary personnel, killed or disabled in action in wars 1947-48 onwards.

In the above 2 categories seats will be offered in the following order of preference / priority as follows:

- I. Widows/Wards of Defence Personnel killed in action.
- II. Wards of disabled in action and boarded out from service.
- III. Widows/Wards of Defence personnel who died while in service with death attributable to military service.
- IV. Wards of disabled in service and boarded out with disability attributable to military service.
- V. Wards of Ex-Servicemen and serving personnel who are in receipt of Gallantry Awards:

- a. Param Vir Chakra
- b. Ashok Chakra
- c. MahaVir Chakra
- d. Kirti Chakra
- e. Vir Chakra
- f. Shaurya Chakra
- g. Sena, Nau Sena, Vayu Sena Medal
- h. Mention-in-dispatches

VI. Wards of Ex-Servicemen

VII. Wives of:

- a. defence personnel disabled in action and boarded out from service.
- b. defence personnel disabled in service and boarded out with disability attributable to military service.
- c. ex-servicemen and serving personnel who are in receipt of Gallantry Awards

VIII. Wards of Serving Personnel.

IX. Wives of Serving personnel.

(If no such candidates available the seats to be filled by candidates of general category)

In order to become eligible for the above concession the widows / children of officers and men of Armed Forces including paramilitary personnel will be required to produce an entitlement certificate from any one of the following authorities.

- a) Secretary, Kendriya Sainik Board, Delhi
- b) Secretary, Rajya / Zila Sainik Board
- c) 1st Class Stipendiary Magistrate
- d) Head of the battalion or unit

Economically Weaker Sections (EWSs) Category

In accordance with the provisions of the Constitution (One Hundred and Third Amendment) Act 2019, and with reference to

(as per letter no. F.DHE.1(119)/Estt./2018-19/2549-76 dated 17.06.2020 in terms of OM No. F No. 12-4/2020-U1 dated 17.01.2020) OM No. 20013/01/2018-BC-II dated 17th January, 2019 of Ministry of Social Justice and Empowerment, enabling the provision of reservation for the economically weaker Sections (EWSs) who are not covered under the existing scheme of reservation for the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes in Admission. Reservation shall be extended to EWSs category candidates in all programmes of study. Guidelines issued by Government of India from time to time regarding criteria for Income & Assets, issuing authority/verification of certificate shall be followed by the University for implementing EWSs reservation.

Quantum of Reservation

The persons belonging to EWS who are not covered under the scheme of reservation for SCs, STS and OBCs shall get 10% reservation of approved intake in admission to various programmes of study.

Criteria of Income & Assets:

Persons who are not covered under the existing scheme of reservations for the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes and whose family has gross annual income below **Rs. 8.00 lakh (Rupees eight lakh only)** are to be identified as EWSs for the benefit of reservation. Family for this purpose will include the person who seeks benefit of reservation, his/her parents and siblings below the age of 18 years as also his/her spouse and children below the age of 18 years. The income shall include income from all sources i.e. salary, agriculture, business, profession etc. and it will be income for the financial year prior to the year of application, also persons whose family owns or possesses any of the following assets shall be excluded from being identified as EWSs, irrespective of the family income:

- i. 5 acres of Agricultural Land and above;
- ii. Residential flat of 1000 sq. ft. and above;
- iii. Residential plot of 100 sq. yards and above in notified municipalities;
- iv. Residential plot of 210 sq. yards and above in areas other than the notified municipalities.

Income and Asset Certificate issuing Authority

The income and assets of the families as mention in Criteria of Income & Assets would be required to be certified by an officer not below the rank of Tehsildar in the States/UTs in the prescribed format as given in **Annexure-V**.

Admissions of students to various courses in academic session 2021-22 in view of the OBC reservations

The reservation of seats for OBC candidates, if any, will be implemented in accordance with the reservation policy of the Delhi Government. In accordance with the above, the following procedure for admission of the OBC candidates to all the courses will be followed. It is reiterated that the OBC candidates under Delhi Category who belong to the 'Non- Creamy Layer' and whose castes appear in the Delhi List of the OBCs only shall be eligible to be considered for admission under the Delhi-OBC Category on producing certificate from appropriate authority only. The unfilled OBC seats available are to be converted to general category.

1. In accordance with the Cabinet decision No.1869 dated 27/2/12, the percentage of reservation for OBC students will be 27% in the academic year 2021- 2022.
2. The OBC candidates shall be given a relaxation in the minimum eligibility in the qualifying examination to the extent of 5% of the minimum eligibility marks prescribed for the General Category Candidates.
3. All those OBC candidates who meet the minimum eligibility marks in the qualifying examination shall be eligible for admission

in the order of their merit, keeping in view the availability of seats reserved for them.

4. If the seats reserved for the OBC remain vacant, the said seats shall be filled with the OBC students. Only if OBC candidates possessing the minimum eligibility marks are not available in the OBC category then the vacant OBC seats shall be converted into General Category seats in accordance with the admission schedule notified by the University.
5. The candidates to this category has to provide certificate issued after 01/01/2021 on Non-Creamy layer certificate. It needs to be verified at the University office.

Candidates belonging to State where there is no Diploma Course in Pharmacy

Candidate from state where there is no government Diploma Course in Pharmacy will be admitted against one seat reserved for such States.

Such candidates must have passed the Qualifying Examination from the State to which they belong and must be nominated by the State Government concerned DTTE.

Last Date for receipts of such application will be as mentioned in "Schedule of Admission".

Candidates Belonging to the States Where there is No Degree Institute in Pharmacy

One seat for candidates from other States, where there is no government Degree college in Pharmacy will be reserved provided, they fulfill the minimum eligibility conditions laid down in this behalf.

The candidates from the states where there is no government Degree College in Pharmacy must have passed the qualifying examination from the state to which they belong.

Foreign Nationals

The Foreign Nationals must fulfil the eligibility conditions for the admission to the course applied. Eligibility is same as for general candidates as mentioned for the respective course.

Foreign Nationals shall have to be sponsored by the concerned Embassy / agencies. The application must be processed through their Embassy as per the rules of Ministry of Human Resource Development, Govt. of India and they must cater fees existing for Foreign Nationals.

The Foreign Nationals must apply online through admission portal available on university website. It is mandatory to submit a migration certificate obtained from the respective university where the candidate had passed his/her qualifying degree.

Foreign Nationals also have to submit the hard copy of the application form with all the required documents at DPSRU for processing. Applications must reach the Registrar, Delhi Pharmaceutical Sciences & Research University (DPSRU), Pushp Vihar, New Delhi – 110017 on or before last date mentioned in the schedule of admission.

No further extension shall be given and applications received after the last date of submission shall not be entertained.

These seats are supernumerary and not exceeding 5% of total intake.

If the number of applications received are from more than one foreign national country, then admission will be given to at least one candidate from each country on the basis of merit, provided total number of admissions should not exceed 5% of the total intake.

Kashmiri Migrants and Kashmiri Pandit / Kashmiri Hindu Families (Non-Migrant):

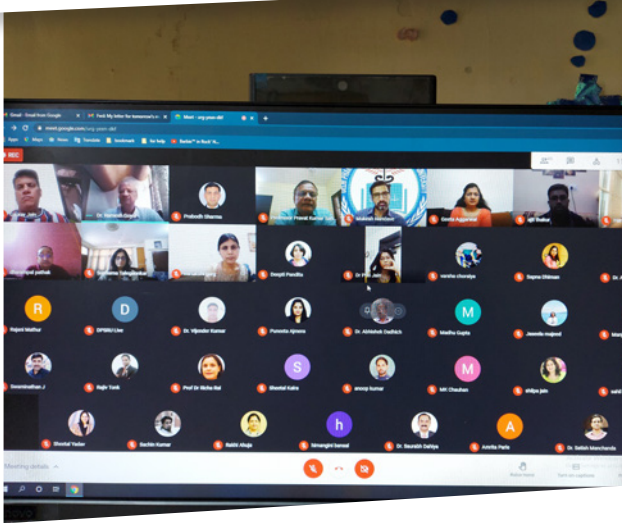

The concession for the wards of Kashmiri Migrants and Kashmiri Pandit / Kashmiri Hindu Families (Non-Migrants) living in Kashmir valley for admission in Higher Education Institutions:

The Ministry's letter No. 3-1/2012-NER dated 12.03.2015 and 22.07.2016, it has been decided to allow the following concessions to the wards of Kashmiri Migrants as well as Kashmiri Pandits / Kashmiri Hindu Families (Non-Migrants) who are living in the Kashmir Valley, in the matter of their admission in the educational institutions from the academic year 2020-21 and onwards till further orders:

- i. Relaxation in cut-off percentage upto 10% subject to minimum eligibility requirement.
- ii. Increase in intake capacity upto 5% course-wise.
- iii. Reservation of at least one seat in merit quota in technical/professional institutions

IPA – Ramanbhai Patel Scholarship:

Indian Pharmaceutical Association (IPA) has instituted the scholarship in the name of Late Sri Ramanbhai Patel for meritorious, deserving and financially needy B. Pharm. students who enrolled in B. Pharm. course at the University. Selected students receive Rs. 25,000/- in the first year and continue to receive Rs. 25,000/- each year till the completion of B. Pharm.

Following students have availed this scholarship:

1. Mr. Sahil B. Pharm. 4th year
2. Mr. Gaurav Gupta B. Pharm. 3rd year

3. Mr. Anand Mishra B. Pharm. 2nd year

4. Mr. Ashish Jadon B. Pharm 1st Year

Late Fee Fine

If the dues (other than those payable at the time of admission) are not paid by the due date, late payment fine of rupees one hundred for each day after the due date (including holidays) shall be realized, subject to a maximum of Rs. 3000/- only.

If the fee is not paid within thirty days after the due date (including holidays) for any reason whatsoever, the name of the defaulter student shall be struck off the rolls of the university without any notice.

Payments of Fines and Dues

Students shall pay on demand any fine imposed on them or the cost of any damage to or loss of library books, equipment or other property of the university.

On failure to do so the same will be recovered from the caution money which shall be reimbursed by the student within the time specified by the University. If the cost of any damage to be recovered or loss exceeds the amount of caution money the balances shall be deposited by the student on demand by the University. Failure to do so, may result in the removal of the name from the rolls of the university.

The students shall clear all dues to the university before they are permitted to appear in the annual/end-semester examination. If the dues are not cleared, there admit card/ provisional certificates will be withheld.

Striking off Rolls

The name of the student may be struck off the rolls on account of:

- i. His own written request, endorsed by his parent / guardian;
- ii. Irregular attendance and poor progress in studies;

- iii. If ordered to be **EXPELLED** or **RUSTICATED** on account of indiscipline by the competent authority of the University;
- iv. Non-payment of tuition fee and other dues for 30 days after the last date of payment. The concerned university authorities. However, university may grant not more than 30 days of grace period to deserving cases on application by the parent / guardian.

Eligibility for Appearing in the Semester / Annual Examination

Only students Securing 80% attendance or above in both theory and practical classes taken separately are allowed to appear in the semester / annual examination.

DISCIPLINE

All the students admitted to the Institute will be under the complete disciplinary control of the Registrar of the University/Director of the Institute or any other officer(s) appointed by him for the purpose and must conduct themselves in accordance with the disciplinary rules of the University as framed and notified.

ANTI-RAGGING POLICY

- A. In accordance with the order of the Hon'ble Supreme Court dated 10.12.2007, in the Special Leave to Appeal (Civil)NOS 24295 and 24296-99 of 2004, "if any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his explanation is not found satisfactory, the authority would expel him from the institution." There is Zero Tolerance towards any unethical activity.
- B. The candidates seeking admission have to give an undertaking that they will abide by the rules and regulations prescribed

and abide by an action taken in this regard against students by the Vice- Chancellor.

- C. Ragging in any form is strictly prohibited within the premises of university as well as on public transport.
- D. Ragging, for the purpose of the Ordinance, means any act, conduct or practice by which dominant power or status of senior students, is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students and includes individual or collective acts or practices which:
 - i. involve physical assault or threat or use of **ANTI-ALCOHOL POLICY** physical force;
 - ii. violate the status, dignity and honor of women students;
 - iii. violate the status, dignity and honor of students belonging to the scheduled castes and tribes;
 - iv. expose students to ridicule and contempt and affect their self-esteem;
 - v. entrain verbal and aggression, indecent gestures and obscene behaviour.

ANTI-SMOKING POLICY

In accordance with the order of the Hon'ble High Court of Delhi and in continuation of the University letter No. HC- 4170/2010-LC / 256 / 4689 dated 29th April, 2011; the University is a Smoke Free Zone.

ANTI-ALCOHOL POLICY

University has a strict Anti-Alcohol Policy. Violators face suspension and strict action as recommended by the constituted committee. There are awareness posters and strict vigilance in hostels and the entire institute including guest house.

PLACEMENT REPORT 2020-21

Placements for our students of 2020-2021 were secured from 30+ companies visiting campus while few others invited students to apply directly for open positions. Students were offered lucrative offers and roles in the areas of research, pharmacovigilance, analytics, consulting, ed-

tech, marketing, business consulting, and HRM in addition to the core pharmacist profiles. Be it the R&D giant Dr. Reddy’s, Novartis or Fresenius Kabi or consulting firms like ZS Associates, IQVIA or WNS each and every company that visited the college has been astounded by the talent we offer. This year, we also observed offers coming in from non-technical organizations and we warmly welcomed them. The companies offered a package ranging from 5.5 to 8.5 lacs for Masters courses and 3.5 to 6.5 lacs for Bachelors courses which has pointedly increased from last academic year. Moreover, the number of internship and training opportunities with organizations of repute surged as well which raised the number of students getting placed to over 50 so far.

This time, even after the commendable results of our students in the GPAT examination, a comparatively higher number of B. Pharma along with D. Pharma students showed their interest in appearing in campus placements and landed into their dream profiles. Many M. Pharm students pursued their aspirations in research and are planning to join PhD programs in different reputed universities.

IN BRIEF

Prof. Ramesh Goyal among top 2% scientists

NEW DELHI
V-C of Delhi Pharmaceutical Sciences and Research University, Prof. Ramesh Goyal, has been recently named among top 2% scientists in the world, by a Stanford University study. He has a world rank of 1,652 and 24th rank in India Pharmacology and Pharmacy. A release issued by Delhi Pharmaceutical Sciences and Research University said Stanford University team has created a database of over 1 lakh top scientists of the world on the basis of standardised citation indicators.

Nikita police

60 witnesses

SPECIAL CORRESPONDENT FARIDABAD

The Faridabad police has conducted a 700-page check on Friday with the Nikita murder case. The police prepared and recorded a record time of the murder witness in broad daylight.
