ترانہ جامعہ ہمدرد

Tarana-e-Jamia Hamdard

یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ
یہ درس گہ ہمدرد ہے یہ ہم اس کے چاند سے تارے ہیں،

تعبیر ہے یہ اس خواب کی جس خواب کی منزل حکمت، ہے
یہ شمع امید سی شمع ہے جس کی کہ جہاں میں شہرت ہے
اس وقت تو نرے ہیں ہم سب پر تارے بن کر چمکیں گے
مانند گلوں کے مہکیں گے، مہتاب کی صورت چمکیں گے
یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ

پائی ہے یہاں پر ہم نے جو دولت وہ لافانی ہے
حکمت کا پیمبر ہے وہ جو اس میرے چمن کا بانی ہے
ہر وقت یہاں پر ہم نے تو اخلاق و محبت پایا ہے
ہر سمت جمال علم یہاں پھولوں کی طرح مسکایا ہے
یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ،

نصرت و ظفر کا پرچم ہم اس عالم پر لہرائیں گے
اس روشن شمع کی خاطر ہر طوفان سے ٹکرائیں گے
سر سے بزر رہے شاداب رہے، اللہ دعا یہ میری ہے
اس گلشن پر نہ آنچ آئے، اللہ دعا یہ میری ہے

یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ،
یہ درس گہ ہمدرد ہے یہ ہم اس کے چاند سے تارے ہیں،

About Jamia Hamdard

'Committed to excellence in higher education'

Jamia Hamdard (JH) was declared as a deemed-to-be University by the Govt. of India in 1989 on the recommendation of University Grants Commission (UGC) under the UGC Act 1956 in recognition of the services provided by erstwhile educational institutes established by the Hamdard National Foundation (HNF). These institutes, built over a period of time, included the Hamdard College of Pharmacy, Hamdard Tibbi College, Rufaida College of Nursing, the Institute of History of Medicine & Medical Research, and Indian Institute of Islamic Studies.

Jamia Hamdard was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi on August 1, 1989, who in his inspiring inaugural address applauded the efforts of Hakeem Abdul Hameed Saheb, the Founder, for setting up a number of institutions of learning which were finally merged to form a “Deemed to be University” namely Jamia Hamdard. In the words of Shri Rajiv Gandhi, “This will enable minority to go forward and help India to march forward”.

Spread over a sprawling green campus of about 100 acres, located on a prime piece of land in South Delhi, JH has ten Schools including a medical college, two hospitals – a 550 bedded modern medicine hospital and another 150 bedded Unani medicine hospital – on its campus. It has a big library, archive centre, separate hostels for girls and boys, gymnasium, a large playground, residential quarters for the staff, and also an off-campus in Kannur, Kerala.

The University has been maintaining a steady progress in all facets in its existence of 31 years and is both nationally and internationally recognized for the quality of teaching and research. The overall progress in this period has been excellent in terms of infrastructure and maintaining the standards which is evident from the placement records, high quality of research, publications and patents. Jamia Hamdard is among top 25 universities of India and ranked 1st in the field of Pharmaceutical sciences and its medical college is ranked 22nd in the country by the Govt. of India (NIRF-2020 ranking). JH is perhaps the only privately funded University to get funding under the DST's PURSE (Promotion for University Research in Science and Engineering) Grant. Jamia Hamdard was placed at 2nd rank in i_{10} values and 5th in i_{100} values as per SCOPUS dataset of all the Institutes that were awarded the DST PURSE grant. The publications of Jamia Hamdard have received >16 citations/paper, perhaps the 2nd highest in India. The h-index of Jamia Hamdard is more than 100 and i_{100} is 100. About 38% of all our publications have been cited at least 10 times according SCOPUS database. JH has a close relationship with DRDO and joint research between Jamia Hamdard and INMAS-DRDO has led to development of pharmaceutical products which are being used by defense forces. The High Powered Committee established by the Government of India to identify “Institution of Eminence” has recommended Jamia Hamdard among the top 5 universities existing in the private sector.

The Founder

<http://jamiahamdard.edu>

The Founder-Chancellor of Jamia Hamdard, Hakeem Abdul Hameed, a renowned physician of the Unani system of medicine served the poorest of the poor and also had global dignitaries and personalities such as Prince Charles of England as his patient. Hakeem Saheb was a philanthropist who always had public service as his driving force. He set up a complex of educational institutions over a period of time which finally got amalgamated in Jamia Hamdard in 1989.

(14th Sept. 1908 - July 22, 1999)

The first institute that was built on the piece of land in Tughlaqabad, which today houses a number of Schools of the University was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid on November 15, 1962 by the then Prime Minister of India, Pandit Jawaharlal Nehru, the building was inaugurated by Mrs. Indira Gandhi, the Prime Minister of India in 70s. Hakeem Saheb also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hakeem Abdul Hameed was conferred the Padma Shri and Padma Bhushan by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. Hakeem Abdul Hameed was a true follower of Islam in letter and spirit and strongly believed in “And spend in the cause of Allah and do good, for He loves those who do good for others” – Al Quran, 2:195.

Mr. Hamid Ahmed

Mr. Hamid Ahmed born in New Delhi, India in 1977 did schooling from St. Columba's School New Delhi. In 1998, he completed B.A. (Eco.) from Delhi University. He started his career as a Trustee of Hamdard Laboratories India after getting his M.B.A. from London, U.K in the year 2000. Hamdard Institute of Medical Sciences & Research (HIMSR)

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard. It was established in 2012 as an ambitious project of Hamdard National Foundation (HNF) aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objective to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all branches so as to demonstrate a high standard of Medical Education in India, to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity, and to attain self-sufficiency in Post-graduate Medical Education

The institute is supported by 510 bedded teaching Hakeem Abdul Hameed Centenary (HAHC) Hospital. This is in conformity to National Medical Commission guidelines.

Hamdard Institute of Medical Sciences & family of institutions is the great leap forward in line with the vision of the founders of Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute to cater to health education in general and providing affordable healthcare to

suffering population living in the vicinity of the institution (South Delhi). It is in conformity with the philosophy of Hamdard "Compassion, Concern, Care and sharing of pain."

The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing excellent medical care to the patients. Just to give a glimpse of the services rendered by the hospital to the needy patients, nearly 521,000 patients were provided consultation and treatment in the outpatient departments in the year 2021. Out of these 72,000 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.

School of Pharmaceutical Education and Research (SPER)

The School of Pharmaceutical Education & Research (Formerly Faculty of Pharmacy) which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy Education in India with global standards and has been ranked as No.1 amongst Pharmacy Institutions Ranking Framework-2017, 2019 and 2020 by the Ministry of Human Resources Development, Govt. of India. The School is approved and recognized by All India Council of Technical Education (AICTE) and Pharmacy Council of India (PCI). The SPER continues to build on its rich history and tradition of excellence by offering quality Pharmacy education in India.

The School offers Undergraduate (D. Pharm. & B. Pharm.), Postgraduate (M. Pharm. in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Quality Assurance, Pharmaceutical Analysis, Pharmacy Practice and Pharmaceutical Biotechnology) and Doctoral (Pharmaceutics, Pharmaceutics with specialization in Quality Assurance, Pharmaceutical Chemistry, Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis, Pharmacology, Pharmacology with specialization in Pharmacy Practice and Pharmaceutical Medicine, Pharmacognosy and Phytochemistry, Pharmacognosy and Phytochemistry with specialization in Pharmaceutical Biotechnology) programmes.

The School is powerhouse of academic and research excellence in the field of Pharmaceutical Sciences. Our modern infrastructure coupled with seasoned faculty has been instrumental in providing world class pharmacy professionals to industry, academia and research based institutions across the world. The school has collaborations outside the University both from

academic and research institutions as well as pharmaceutical industries. Industry sponsored projects are also being executed for companies like Sun Pharma, Dabur Research foundation, Jubilant Life Sciences, Aimil Pharmaceuticals, Dolphin International, Fermish Clinical Technology, GBC, Beijing, China and Ultimex Health, USA etc.

Ph.D. in Pharmaceutical Medicine is a unique, first in country collaborative program being run in collaboration with Sun Pharmaceutical Industries Ltd. The program illustrates utilization of academic excellence, professional expertise and optimal fund use by joint University-Industry effort. The students qualifying this course meet the current and future requirements of R&D personnel from the Pharmaceutical Industry/Academia.

The school has a well-established central instrumentation facility (CIF) having variety of modern and sophisticated instruments like cryogenic Transmission electron microscope (TEM), LC-MS, NMR (400 MHz), HPLC, HPTLC, DSC, UV-Vis spectrophotometer, FT-IR etc. Facility for interdisciplinary research namely flow cytometry, confocal microscopy, western blot analysis and electrophoresis, wet lab synthesis, Microwave-assisted organic synthesis (MAOS) are also available.

Many faculty members have research projects funded by National / International funding agencies and Pharmaceutical Industries. A separate Pharmacy block dedicated to research in advanced fields of Nano Medicine, Bioactive Natural Products (BNP), Computer Aided Drug Design (CADD) etc. with state of the art instruments and other facilities is also part of the School. All the Departments of School are actively involved in research as can be seen by publications. The School has published more than 1000 research papers in SCI indexed reputed journals and applied more than 25 patents in last five years and 11 have been granted.

The Department of Pharmaceutics has collaboration with School of Management for their MBA Pharmaceutical Management programme for teaching and placement related activities. The MBA Pharmaceutical management programme is designed to provide technical and administrative skills in management & research in Pharmaceutical sector.

The Department of Pharmaceutical Chemistry has collaboration with Department of Chemistry and Toxicology, School of Chemical & Life Sciences. The M. Pharm in Pharmaceutical Analysis programme has collaboration with Pharmaceutical Industries which also help students in project & placement related activities.

The Department of Pharmacognosy & Phytochemistry which also includes Pharmaceutical Biotechnology has multidisciplinary collaboration with Dabur India Ltd, Aimil Pharmaceuticals, Dolphin International, Fermish Clinical Technology, GBC, Beijing, China and Ultimex Health,

USA. The highlighted areas of research in the Department are development of Natural Product Process, Standardization, Chemical Analysis & Bioprocess and Fermentation Technology.

The Department of Pharmacology has multidisciplinary collaboration with HIMSR and Centre for Translational and Clinical Research, School of Chemical & Life Sciences. The M Pharm in Pharmacy Practice programme is augmented with the Clinical Research programme of School of Chemical & Life Sciences and Department of Community Medicine of HIMSR. In the HAH centenary hospital of Jamia Hamdard students of the Pharmacy Practice programme assist doctors in possible drug interaction and train patients to understand dosage regimen and other healthcare related queries.

This Pharmacy School consists of (1) Department of Pharmaceutical Chemistry, (2) Department of Pharmaceutics (3) Department of Pharmacology and (4) Department of Pharmacognosy and Phytochemistry

1. A candidate must have passed a two years Diploma in respective course (after 10 +2) with 50% marks in the aggregate or 3 years Diploma after 10th examination from science stream, except for DXE where the student is eligible to apply for BMIT.

2. Liberal transfer credit system:

A student who has passed with 60% marks each in at least two of the subjects mentioned below can take admission in lateral entry of any of the degree programmes after fulfilling the selection procedure provided he/she agrees to attend the requisite classes to complete his/her credit hours and successfully clears the first and second semester examination of the related program by the end of 3rd and 4th semester; Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Physics, Maths, Chemistry.

Selection procedure: For admission to BMLT, BOPT, BMIT, BAOTT, BMR & HIM, BDT Lateral Entry 3rd Semester Degree Courses will be made on the basis of merit determined by marks obtained in the respective Diploma course.

Diploma in Paramedical Sciences

Diploma in X-ray & ECG Techniques (DXE)

Duration: Two years (Four Semesters)

Total Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); Additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses of paramedical sciences shall be made through merit in the qualifying examination.

Diploma in Operation Theatre Techniques (DOTT)

Duration: Two years (Four Semesters)

Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Dialysis Techniques (DDT)

Duration: Two years (Four Semesters)

Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Medical Record & Health Information Management (DMR&HIM)

Duration: Two years (Four Semesters)

Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other

examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

If seats are available in DMR&HIM, candidates from non-sciences streams with at least 45% marks in the aggregate of subjects of Senior Secondary (12th Standard/Intermediate) are also eligible.

School of Chemical and Life Sciences (SCLS)

This School consists of 05 departments and a Centre for Translational and Clinical Research. The School offers Doctoral, Post Graduate and Graduate programs of studies in the area of chemical and biological sciences and engages postdoctoral and other prestigious fellows.

SCLS has some of the state-of-the-art facilities in the area of biological and chemical sciences including Confocal microscopy, Chemiluminescence spectroscopy, Flow cytometry/FACS, FTIR, Ultracentrifuges, Gradient PCR, RT-PCR, GC, HPLC, Nano-LC-MS, and facilities for Plant Tissue Culture, Animal Cell Culture and BSL-II-B2 laboratory facilities to supplement teaching and training and facilitate research. The School houses a Transgenic Containment Facility, a Central Instrumentation Facility, and manages the Herbal (Medicinal plants) Garden and a CPCSEA-approved Central Animal House Facility.

The School has published hundreds of research papers in peer reviewed journals of international repute. Hundreds of students have qualified for various fellowships including NET JRF and other fellowships. The alumni are well placed both in India and abroad. A brief introduction to each department and centre highlighting the thrust areas and activities is provided.

Departments and Centers of SCLS offering various programs of study

- Department of Biochemistry
- Department of Biotechnology
- Department of Botany
- Department of Chemistry
- Department of Medical Elementology and Toxicology
- Centre for Translational and Clinical Research

I Department of Biochemistry

The Department of Biochemistry, established in the year 1994, is recognized for its best practices and excellence in higher education and research in India and abroad. The Department of Biochemistry offers Integrated BSc-MSc, MSc and PhD programmes. The faculty is highly accomplished and is involved in cutting-edge research in the field of biological sciences. Apart from grants from various prestigious funding agencies such as CSIR, ICMR, CCRUM, DST and DBT, the department is a recipient of the UGC Special Assistance Program (UGC-SAP) and has been upgraded to DRS II. The Department has also been granted “Fund for Improvement of S&T Infrastructure (FIST)” by the Department of Science & Technology (DST), Government of India and has got a huge grant of over 2 Crores from DBT under BUILDER scheme.

The department is equipped with smart classrooms and with dedicated and well-equipped labs for PG and UG students, which is in addition to the Central Instrumentation Facility of the School. Department also has a dedicated instrumentation facility equipped with some of the high end equipments. Over the years, the Department has developed facilities for high precision analytical work and has acquired equipments and tools for cellular and molecular research including the facility to work on cell lines.

The academic curriculum is periodically revised in consultation with external experts and with the approval of the Board of Studies and Academic Council to keep the students abreast with current trends in Biochemistry. The syllabus is well aligned with the key national level scholarship programs like CSIR, DBT, ICMR, etc. Hands-on training is imparted to students in most of the contemporary areas, which prepares them to undertake research in cutting-edge fields for their PhD within the university or outside. There is a fine balance in class room teaching and hands-on experimental training.

THRUST AREAS

- Cancer Etiology, DNA damage and repair, Nutrigenomics and Proteomics
- Innate immunity; Chronic diseases, Tissue injury, Regeneration and repair.
- Biology of *Mycobacterium tuberculosis*; Ribonucleases in human health and disease; Targeted therapy of cancer.
- Molecular Immunology, Development of FRET Based Biosensors.
- Alternative splicing and disease.
- Toxicant-mediated metabolic syndrome.
- Role of novel kinase pathways in virus mediated oncogenesis.
- Structural Biology and Molecular Biophysics
- Host pathogen interactions; Computational biology

The Department regularly organizes seminars, workshops, brain-storming and interactive sessions for the students, besides providing training to students and staff from other institutes, universities

and colleges. The faculty actively participates in international and national conferences, seminars, workshops, meetings, orientation and refresher courses. Teachers of the department are well recognized by other Universities and Institutes and are on their panel of experts. Students are encouraged for creative learning and to deliver lectures/debates on topics of current interest in biological sciences. Students have high rate of success in various competitive examinations and many of the pass outs are working in premier institutes and companies in India and abroad. About 200 students of the department have qualified various national level tests since its inception in 1994. Students are working as scientist and academicians in government setups including DRDO, CSIR, CCRUM/ AYUSH and various Indian universities and abroad, as well as taking up jobs in private sector.

II Department of Biotechnology

The Department is supported by FIST (DST, Govt. of India) and SAP (UGC). It offers three formal programmes of study: a 5-Year integrated BSc-MSc with exit clause after 3 years leading to BSc (Hons) degree in Biotechnology, and after 5 years leading to MSc degree in Biotechnology, a two-year postgraduate degree course leading to MSc in Biotechnology and Doctoral research leading to PhD degree. Besides, the department also provides opportunity for post-doctoral research. The faculty members of the Department have been able to attract a large number of extramurally funded research projects from various funding agencies such as DBT, DST, CSIR, ICAR, ICMR, DRDO, UGC, DOEn, ISM&H, CCRUM, AYUSH and World Bank. MSc Part II students are allowed to do an intensive project work with teachers of the department as mentors covering literature survey, benchwork (wet lab), data generation, and writing and presentation skills.

VISION OF THE DEPARTMENT

The Department of Biotechnology at Jamia Hamdard, New Delhi was established in the year 1997 with a vision to be recognised as a Department of International repute with a strong interdisciplinary research and teaching base in Plant and Animal Biotechnology with active collaboration with industries and health-care institutions.

RESEARCH AREAS

- Molecular biology and regulation of gene expression in infectious and non-infectious diseases.
- Host pathogen interaction, molecular immunology, molecular virology and drug delivery.
- Clinical virology and vaccine development.
- Development of diagnostic tests.
- Development of nano-enabled interfaces and multiplexed paper-based devices for the detection of diseases.

- Genomics/ Proteomics of cancers and development of biomarkers for early detection and as valuable therapeutic targets.
- Conservation of medicinally important endangered plants through in vitro approach.
- Enhancement in the yield of secondary metabolites in medicinal plants via stress, culture conditions, genetic engineering and nanoparticles.
- Transgenics of vegetables, floriculture and oil crops.
- Evaluation of anti-cancer potential of herbal based compounds and their nano formulations.
- Stress biology, mechanism of protein folding and stabilization.

INFRASTRUCTURE

Departmental Instrumentation Facility (DIF): DIF is well equipped with basic and advanced instruments for training of students and research purpose. Weighing balance, Ice flaking machine, Autoclaves, Millipore water system, Centrifuge, PCR, spectrophotometer, Freeze dryer, Ultradeep freezer (-80°C) Real time PCR, Rota evaporator, GC-MS, Fluorescence Microscope, UV chamber, Shaking incubator and Ultra-centrifuge.

Animal Cell Culture Facility: Animal cell culture facilities are well equipped with CO₂ incubators (New Brunswick, Shell lab), water bath, cabinets and microscopes. We have one well equipped dedicated cell culture facility for students training purpose. The departmental cell culture facility is used by research scholars and faculty members.

Plant Tissue Culture facility: A media preparation, sterilization, and storage area, Laminar air flow chambers with HEPA filters, culture room with well-controlled temperature, humidity, air circulation and light quality and duration is available for the M Sc students and researchers. Besides, Plant Growth Chamber is available in the Department. Hardening of in vitro raised plants is done in greenhouse by the researchers.

BSL-II-B2 laboratory: Our department also have BSL-II facility well equipped with Biosafety level-II B2 cabinet (Haier), CO₂ incubator and microscope for infectious disease and clinical studies. This infrastructure is established from the project funds of Dr. Mairaj Ahmed Ansari.

Confocal microscopy: Our department is also having functional Confocal Laser Scanning Microscope from Leica Microsystem for use of M Sc students and PhD Scholars of the Department as well as other Department and Schools of Jamia Hamdard.

Apart from above mentioned departmental common facilities, each faculty of the department have their own well-equipped laboratories required for research purpose. Besides, we are also availing FACS (BD) and nano-LC-MS (Waters) facilities available in the University.

CENTRE FOR TRANSGENIC PLANT DEVELOPMENT

Centre for Transgenic Plant Development as a unit of the Dept. of Biotechnology was established in February 2004 with the research grants of CSIR (TMOP&M), Department of Agriculture Cooperation and Farmers Welfare, Govt. of India and inaugurated by Hon'ble Minister of Agriculture, Govt. of India, with a mandate to focus research in the development of transgenic plants with improved yield and quality of produced as well as development of DNA based finger prints for authentication of traditional medicines. Various labs in the Centre have specialized equipments and facilities to work. It is equipped with the state-of-the-art facilities to train PhD and postdoctoral students and to carry out research in various disciplines of Plant and Microbial Biotechnology. The major R&D activities being pursued include cloning and characterization of novel genes linked with tolerance to biotic and abiotic stresses and quality traits of medicinal and crop plants, authentication and standardization of crude components of herbal formulations and nano vehicle assisted gene delivery in plants. The thrust areas of centre also include improving the quality of medicinal crops through genetic engineering of metabolic pathway; miRNA and RNAi approaches, conservation of medicinal plants; developments of easy, rapid, sensitive, cost effective method for aflatoxigenic mould detection in the groundnut kernels and soil and identification and quantification of aflatoxins in the food and feed. The centre always remains funded from Jamia Hamdard and other government agencies such as DST, DBT, Department of AYUSH, CCRUM, CSIR, ICMR, DRDO etc. for R&D projects carried out at the Centre. The consultancy projects from biotech companies are also carried out in the centre.

EXTRAMURAL RESEARCH FUNDING

The faculty members of the Department have been able to attract number of extramurally funded research projects from various national and international funding agencies such as DBT, DST, SERB, CSIR, ICAR, ICMR, DRDO, UGC, DoEn, ISM&H, CCRUM, AYUSH and World Bank.

UGC-Special Assistance Program

The SAP scheme was initiated in 1963 by University Grants Commission keeping in view the recommendations of the Education Commission to facilitate the selected number of University Departments having some potential in research and teaching. The programme is intended to encourage the pursuit of excellence and teamwork in advanced teaching and research to accelerate the realization of international standards in specific fields. The Department of Biotechnology, Jamia Hamdard was selected under UGC-SAP (**DRS-I**) from 2011 to 2016 with a sanctioned amount of **Rs. 65 Lakhs**. Again in 2017, seeing the potential in research and teaching, Department of Biotechnology recommended to UGC-SAP (**DRS-II**) from 2018 to 2022 with a sanctioned amount of **Rs. 116 Lakhs**.

DST FIST

Universities are cradles of innovation and knowledge creation. Research in universities has three-tier effects concerned with quality of under-graduate & postgraduate education and value of research.

They are the source of generating high caliber manpower and repositories of national intellectual wealth in Science & Technology (S&T) sector, which if channelized properly, may lead to socioeconomic development. In the emerging global scenario, India can be an ideal destination due to its cost effectiveness and availability of knowledge base. It must also aim for a permanent position in the field of Science & Technology. Considering the present status of the S&T sector in the universities and related academic institutions who are in dire need for strengthening the existing S&T infrastructure support with adequate funding and associated flexibility, Government of India in the year 2000 announced a major new initiative titled "Fund for Improvement of S&T infrastructure in universities & higher educational institutions (FIST)" to rebuild the Science & Technology infrastructure in the country. The quality of UG and PG education and value of research, Department of Science and Technology, Govt. of India recommended Department of Biotechnology, Jamia Hamdard under DST-FIST (Phase – I) in 2019 and sanctioned amount of Rs. 80 Lakhs.

III Department of Botany

The Department of Botany, which came into existence in the year 1989, has developed strong research programmes in the fields of stress physiology, structural & developmental botany, environmental botany, systematics, medicobotany, plant biotechnology and molecular biology. The first registration for PhD dated back to 1991, while the post-graduate teaching programme started in 1994 leading to the award of MSc degree. The first PhD degree from the department was awarded in 1995 and the first batch of students got M Sc degrees in 1996. So far **25** batches have successfully passed out from this department. A Post-graduate Diploma in Environmental Monitoring and Impact Assessment is also run by the department through distance mode of learning.

During the last 30 years as many as 109 students have received PhD degree. Alumni of the department have distinguished as teachers and scientists occupying important position in Indian universities, research institutions, colleges and non-governmental organizations. The department has been acknowledged for its excellence and creativity by various agencies of National/ International repute.

THRUST AREAS OF RESEARCH

- Understanding the physiological and molecular mechanisms of abiotic stresses.
- Identification and characterization of medicinal plants and their active ingredients.
- Ethnobotany and plant systematics
- Tissue culture studies for alkaloid production, clonal multiplication and preservation of endangered species
- Deciphering the plant microbe interactions in response to both pathogenic and beneficial microbes

Research Facilities

The Department has well equipped laboratories for research. The available equipments include Growth chambers, BOD incubators, Refrigerated microfuges, Laminar air flow, Shakers, Environmental shaker incubator, Double beam spectrophotometer, PCR, High speed cold centrifuge, Deep and ultra freezers (-20 and -80 °C), IRGA (Photosynthesis System), Leaf area meters, Flame photometer, Sliding and rotary microtomes, Gel documentation system and Nikon Phase contrast microscope with photographic attachment, Weather station attached with gas monitoring sensors, Spectrophotometers, Chlorophyll Fluorometer, Plant Canopy Analyzer, Rotavapor, Sound level meter, Gas & dust analysing system and Inverted fluorescent microscope among others. A modest Green House and an environmentally controlled Glass House is also available.

Twenty three research projects from different funding agencies including DBT, DST, UGC, AYUSH, IPI, CCRUM, have been successfully completed in the department. The department has received substantial funding from DST and UGC under DS-FIST, UGC-SAP (DRS-I) programmes. At present the department is receiving substantial funding from DST-SERB, UGC, DBT-RAMALINGASWAMI & SERB-NPDF.

The students of Botany department are able to successfully clear the national level exams including NET/GATE/ICMR test for JRF are being selected in reputed institutions such as JMI, Delhi Univeristy, AMU(Aligarh), Amity University, IGNOU, Kashmir University, NIOS, DRDO, Integral University (Lucknow) etc, besides placements abroad. Moreover students of botany are also able to qualify the highest level of civil services exams including IAS and IPS, KAS.

IV Department of Chemistry

Department focuses on intensive project assignments for students on topics of current research interest. Students are exposed to sophisticated instrumental techniques such as UV-Vis, FT-IR, NMR, Flash chromatography, UP-LC, MS, Nano LC-MS and confocal microscopy during practical and their project work. The exposure gives them the idea of high-quality research in their budding stage itself and make them grow as world class graduates committed to integrity, professionalism and lifelong learning by widening their knowledge horizons in range and depth. With Wi-Fi facility in the department and hostel, the students have access to internet, most of the research journals and e-contents round the clock.

The faculty members with varied expertise are engaged in teaching and research. Students are prepared for competitive examinations including NET, GATE etc. It helps them getting employment in reputed pharmaceutical companies like Sun Pharmaceuticals Ltd. Jubilant Organosys, Glenmark, Wockhardt, Rexin, Indian Oil and other allied industries in addition to placements in Universities and colleges for teaching and research institutions for doctoral and postdoctoral positions. The department also offers a programme in PG Diploma in Chemoinformatic under Open and Distance Learning Mode.

THRUST AREAS

- Natural product chemistry and natural product inspired pharmacophore development.
- Medicinal chemistry
 - Anti-cancer agents and anti-inflammatory agents.
 - Anti-hyperglycemic agents.
 - Anti-microbial (anti-tubercular, anti-leishmanial etc.)
 - Male and female contraceptives.
- Nano-synthesis and drug delivery.
- Molecular machine in drug delivery systems.
- Soft matter and chemistry of nano-bio interface.

The faculty members have the reputation in their respective fields of specialization in the above-mentioned areas of research as evident from their publications in peer reviewed journals of high impact factor *viz* American Chemical Society, Royal Society of Chemistry, Wiley Interscience, Elsevier, Springer Science group and Nature publication.

The other frontier areas of research in the department are Diversity oriented synthesis of natural products inspired bioactive ligands as tubulin inhibitors, GSK-3-inhibitor, aldose reductase inhibitors, anti-hypoglycemic, antimicrobials agents as well as synthesis of novel Fe-S cubane type clusters and their composites with nanotubes and graphene.

Research projects in the department are sponsored by Department of Science and Technology (DST-EMR, ESR, Fast Track and INSPIRE) Funds for research have also been received from Department of Biotechnology (DBT), Defense Research and Development Organisation (DRDO) and University Grants Commission. The university is also funding through research promotion grants for the young faculties.

V Department of Medical Elementology and Toxicology

The Department of Medical Elementology and Toxicology is one of the few Departments in India having full-fledged academic programme at Postgraduate and Doctoral levels in Toxicology. The Department has made its mark in toxicological research and has been supported by the Department of Science and Technology (DST) through Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions (FIST) programme and University Grants Commission (UGC) Special Assistance Programme (SAP). Ph.D degree in Toxicology is being awarded in different fields of toxicology. The Department has collaborative programmes with many reputed institutes such as Indian Institute of Toxicological Research (CSIR), Lucknow; Central Drug Research Institute (CSIR), Lucknow; Indian Institute of Integrative Medicine (CSIR), Jammu; Institute of Nuclear Medicine and Allied Sciences (DRDO), New Delhi etc.

THRUST AREAS

- Chemoprevention of cancer by plant products/indigenous medicines and standardization of such drugs.
- Targeting the molecular mechanism and elucidation of their plausible role in induction of carcinogenesis in prostate, liver, kidney and skin at preclinical stage.
- Toxic effects of endocrine disrupting chemicals (EDCs).
- Neurodegenerative disorders and their protection.
- Role of trace elements in the manifestation of diseases.
- Ecotoxicity of environmental pollutants and their interactive effects.
- Immunotoxicity of drugs and environmental chemicals and its prevention.
- Molecular mechanism of nanoparticles in toxicity manifestation.
- Animal models of arthritis for study of mechanism of action of protective agents.
- Fly lab as an alternate model of toxicology
- Protein assembly and amyloid toxicity
- Drug discovery against amyloidosis
- Fabrication of amyloid-based smart materials

The Department has received funding support from agencies such as Council of Scientific and Industrial Research (CSIR), Central Council for Research InUnani Medicine (CCRUM), Department of AYUSH, Department of Biotechnology (DBT), Department of Science and Technology (DST), Indian Council for Medical Research (ICMR), Ministry of Environment and Forests and UGC. Every year a good number of students qualify fellowships offered by government agencies. Students who have obtained degree in toxicology have got placements in various companies and R&D institutes such as Sun Pharmaceuticals Ltd., CDRI, IITR, Dabur, Torrent, Cadila, Lupin, Dr. Reddy's Laboratory, Sri Ram Institute of Industrial Research, Nestle, Himalaya etc. The Department's distinguished Alumni as faculty or postdoctoral fellows are spread all over the globe. More emphasis is given to develop academic and research skills of the students. M Sc programme has integral component of dissertation work in the fourth semester. After completion of the course students have job opportunities in industry and research organizations. A good number of students qualify NET examinations conducted by UGC-CSIR in life science and forensic science streams. The Department is fully-equipped with sophisticated equipment to perform research in all major fields of toxicology including *in vitro* and *in vivo* toxicity studies.

VI Centre for Translational and Clinical Research

The Centre was established in the year 2009 with an objective to train human resources in clinical research. In the year 2012 activities of the Centre were expanded by including component of translational research. The Centre envisages imparting theory and practical training in all aspects of clinical research and clinical trials. It provides opportunity to young aspirants desirous of pursuing a career in expanding healthcare sector in India and abroad. According to industry sources, the clinical research industry in India will require a large number of professionals trained in various aspects of clinical research in the coming years. Importance of clinical research has got

recognition in recent years due to commendable growth in domestic pharma industry. Global pharma giants have shown interest to conduct clinical trials in India. Moreover, a number of Contract Research Organisations (CROs) have been set up in India. These organizations provides support to the pharmaceutical, biotechnology, and medical device industries in the form of research services outsourced on a contract basis. In view of all this developments demand for clinical research professionals in India is expected to grow exponentially. Therefore, personnel involved in clinical research needs training in Good Clinical Practices (GCP) and ethics.

The Centre offers a four semester full-time M Sc programme in Clinical Research and PhD in Clinical and Translational Science which takes care of all aspects of clinical research. The Centre is also offering B.Sc.-M Sc integrated programme with an exit option of B.Sc. (Hons.) in Clinical Research. The study programme is comprehensive based on both course work and hands-on research experience in leading clinical research organization. It is a broad-based multi-disciplinary study programme to prepare professionals in clinical research with training in the principles and methods of clinical research, clinical trials, epidemiology, health economics, biostatistics, bioethics, GCP, translational research and application of these principles to clinical trials. The Centre has established collaboration with Sun Pharmaceuticals Ltd., Max Healthcare Institute Ltd. INCLIN Trust International, Apollo Hospitals Educational and Research Foundation and other leading clinical research organizations for practical and hands-on training of the students. The Centre also envisages to organize communication skills workshop, and regular seminars for the students to train them in writing and presenting research data, clinical reports, grant applications and case study reports. Students are also provided exposure to Instructional Review Board (IRB) meetings.

Placement opportunities for M Sc Clinical Research students are very bright. Passed out students have been placed in Novartis, Panacea Biotec, Troikaa Pharmaceuticals, Fortis, Jubilant, Ind Gene, Auriga Research Ltd., Max Neeman, Max Healthcare Institute Ltd., Sun Pharmaceuticals Ltd., Religare, Totipotent, Baxter, Sir Ganga Ram Hospital, Escorts Heart Institute, Medanta, PushpawatiSinghania Research Institute (PSRI), Translational Health Science and Technology Institute (THSTI, DBT), Jamia Hamdard (in PhD programme), and BIT, Mesra (in Ph.Dprogramme). Centre regularly organizes workshops on the contemporary topics in Clinical Research. Centre also undertakes consultancy projects on clinical trials.

ELIGIBILITY CRITERIA FOR ADMISSION TO VARIOUS PROGRAMS

Program of study	Disciplines	Program duration	Intake	Eligibility criteria	Selection procedure
B.Sc.- M.Sc. Integrated	Biochemistry, Biotechnology, Botany, Chemistry, Clinical & Translational Research, Toxicology	5 Years/10 Semesters, with Exit option after completion of 3 years leading to BSc (Hons)	130 (30 Seats in Biotechnology and 20 Seats each in other five disciplines)	Senior Secondary (12 th /Intermediate) with Biology/ Mathematics from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.	On the basis of merit of First Five Subject in qualifying examination
M.Sc.	Biochemistry	2 Years (4 Semesters)	30 (25 General and 5 SFS seats)	B.Sc. in Biochemistry or equivalent examination in Biological/Life Sciences securing at least 50% marks in aggregate.	On the basis of merit of First Five Subject in qualifying examination
M.Sc.	Biotechnology	2 Years (4 Semesters)	50 (30 General and 20 SFS seats)	BSc examination from a recognized University in Biological Sciences/B.Sc. (Agriculture)/BVSc with a minimum of 50% marks in aggregate.	On the basis of merit of First Five Subject in qualifying examination
M.Sc.	Botany	2 Years (4 Semesters)	40 (32 General and 08 SFS seats)	B.Sc. or equivalent examination of a recognized university with Botany/Plant Sciences as one of the subjects securing at least 50% marks in the aggregate.	On the basis of merit of First Five Subject in qualifying examination
M.Sc.	Chemistry	2 Years (4 Semesters)	40	B.Sc. or equivalent examination from a recognized University with Chemistry as one of the subjects securing	On the basis of merit of First Five Subject in qualifying examination

				at least 50% marks in the aggregate.	
M.Sc.	Clinical Research	2 Years (4 Semesters)	30	MBBS/ BDS/ BAMS/ BUMS/ B.V.Sc./B.Pharm/ B.Sc. Nursing /BOT/ BPT/ B.Sc. Medical Lab. Techniques/B.Sc. with Biochemistry/ Biotechnology/ Microbiology/ Zoology /Bioinstrumentation or any other Life Sciences/Allied Health Sciences securing at least 50% marks in the aggregate	On the basis of merit of First Five Subject in qualifying examination
M.Sc.	Toxicology	2 Years (4 Semesters)	40	B.Sc. with any three of the following subjects: Botany, Chemistry, Zoology, Biochemistry, Biotechnology, Microbiology, Environmental Biology or a subject of Life Sciences, B Pharm./BVSc./B.Sc. (Agriculture)/BMLT and other paramedical or allied sciences degree securing at least 50% marks.	On the basis of merit of of First Five Subject in qualifying examination
PhD**	Biochemistry, Biotechnology, Botany, Chemistry, Clinical & Translational Research, Toxicology	As per the PhD Ordinance of the University	Variable	As per the PhD Ordinance	Entrance test and interviews, to be held 2 times in a Calendar year

**** The notification for admission in Ph.D.programme from session 2021-22 will be released in the month of August, 2021.**

Qualifying exam will mean aggregate of three years marks of four semesters for 3 year BSc and six semesters for 4 year BSc. In case where final year result in not out, the average of last 3 or 5 semesters will be considered for, respectively, 3 year and 4 years BSc, for provisional selection of candidates.

Univseristy shall have the right to amend the selection criteria considering the prevalent circumstances. Univesrity may increase or decrease the number of seats if circumstances warrant so.

School of Interdisciplinary Sciences and Technology (SIST)

The School of Interdisciplinary Sciences and Technology (SIST) promotes education and research in interdisciplinary sciences and provides opportunities to researchers and academicians to interact with the faculty and students of other schools of Jamia Hamdard and carry out research in interdisciplinary areas as well as promote opportunities for higher education in identified areas.

The school is running two departments namely **Department of Food Technology (DOFT)** and **Department of Molecular Medicine (DMM)**. The school is currently offering *B. Tech.* and *M. Tech. in Food Technology*, *MSc in Biomedical Sciences* and *Ph. D. in Food Technology, Bioinformatics, Chemo-informatics, Interdisciplinary Sciences and Molecular Medicine*. The school is also offering One month training in *Molecular Biology*. SIST has entered into collaboration with URDIP (CSIR), Pune and has established a very strong PhD program in the area of Bioinformatics and Fermentation in place.

A. Department of Food Technology: Food Technology is a branch of science in which knowledge of food science is applied in manufacturing and preservation of food products. Food Technologists study the chemical, physical and microbiological make-up of the food and are involved in its processing, preservation, packaging and storage in safe, wholesome and nutritious form. The demand for professionals and trained personnel in the food industry as well as in research and development in government and industrial setup is immense and ever growing. The Food Technology program at Jamia Hamdard aims: To produce professionally competent, proficient and

highly skilled personnel in the field of food technology, with a knowledge of various aspects of food science and technology including the quality of raw material, packaging standards and methodology, health and hygiene parameters, processing techniques, storage and food value; To impart technical and techno-managerial skill to the unemployed youth and the agrarian society; To promote R&D in the field and assist in the implementation of the food processing, safety and quality management of the food regulating bodies like FSSAI, BIS, ISO, CODEX.

DOFT in the school received a substantial grant of Rs. 75 lakh in 2010 from Ministry of Food Processing Industries to strengthen the laboratories and infrastructure of the Department. As the demand of professionals and trained personnel in the food industry as well as in research and development in government and industrial set-up is immense. The department has funding for research projects from UGC, AICTE, SERB etc.

Major Placements: Nestle, TagTaste, Intertek, Tuv Sud, Haldiram, Mother Dairy; Britannia, Danone, Heinz, Kellogg's, Cadbury, Kraft Food, Hind Agro Foods, Duke Food, Pepsico, AVON, etc.

Research Areas: Food Fortification; Vitamin D deficiency; Clinical trials; Pharmacokinetics; Edible films; Probiotics; Nanotechnology; Phytochemicals; Food safety and hazards; Food Rheology.

COURSES:

1. B. Tech Food Technology

Duration: 4 years (Eight Semesters); **Seats:** 30

Eligibility: A candidate seeking admission to the program must have passed Senior Secondary (12th/intermediate) examination with Mathematics/Biology from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection procedure: Selection will be based on the merit in Paper-I of JEE (Main) 2021/NEET 2021. Non NEET & Non JEE candidates may also apply, however, NEET & JEE candidates will be preferred. Non NEET & Non JEE applicants may be considered only if suitable number of NEET/JEE-2021 are not available or there is delay in NEET/JEE result. IF situation arises, Non NEET/Non JEE applicants will be selected on the basis of merit of first 5 subjects of the qualifying examination.

Allocation of seats for NEET/JEE candidates will depend upon the number of application received under a category (NEET/JEE or PCM/PCM stream).

2. M. Tech. Food Technology

Duration: 2 years (Four Semesters); **Seats:** 25

Eligibility: B. Tech. in Food Technology/ /Dairy Technology/ Agriculture Engineering/ Chemical Engineering/ Biotechnology/ Mechanical Engineering or M. Sc. in Food Science/Chemistry/ Biochemistry or allied disciplines or B. Pharma. with at least 55% marks in aggregate.

Selection Procedure: Merit of the qualifying examination (up to 2nd Semester for 2 years programme or up to 4th Sem for 3 years programme and up to 6th Sem for 4 year course).

3. Ph. D. Food Technology

The notification for admission in Ph.D.programme from session 2021-22 will be released in the month of August, 2021.

Eligibility: Candidates having passed M. Tech. (Food Tech/ Biotech) or M. Sc. (Food Science/Technology/ Biotechnology/ Biochemistry) or M. Pharma (Pharmaceutics/ Pharmacognosy/Phytochemistry/ Pharma Biotech) with minimum of 55% marks or equivalent grade from a recognized University/ Institute.

NET-JRF/ Individual Fellowship holders/Project Fellows will be preferred for admission in the Ph. D. programs.

4. Ph. D. Interdisciplinary Sciences

The notification for admission in Ph.D.programme from session 2021-22 will be released in the month of August, 2021.

In areas where the nature of work is interdisciplinary, demanding expertise from different disciplines.

Eligibility: Masters degree or a professional degree declared equivalent to Masters degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade B in the UGC 7 point scale.

NET-JRF/ Individual Fellowship holders/Project Fellows will be preferred for admission in the Ph. D. programs.

B. Department of Molecular Medicine: The mission of **DMM** is to develop a multidisciplinary approach via successful collaborations to bridge the gap between basic and clinical or translational sciences in India. Scientists at DMM are involved in scientific programs, which try to integrate laboratory and clinical research, with an aim to develop new and innovative therapeutic modalities with an active interest in disease intervention strategies and assay development for diagnostic and therapeutic purposes.

DMM Scientists, trained in reputed laboratories in the USA, are former faculties or employees of prestigious international organizations like FDA, NIH, Johns Hopkins, etc. After returning to India, they have established their labs in Delhi by securing generous funding from multiple government agencies (DBT, DST, ICMR etc). They have proved their credentials to the government funding agencies and scientific organizations through their publications, patents and grant evaluations.

Research Areas: Diagnostics; Genetics; Cell biology; Development of point of care devices in diagnostics; Virology; Vaccinology; Cancer Biology; Neurobiology. For the detail of research areas please visit our (Institute of Molecular Medicine under the School of Interdisciplinary Sciences and technology of the University) web site. The detail of area is available under each of the faculties. You may also visit at PUBMED for the publications of the faculties.

COURSES:

1. M.Sc. (Biomedical Sciences)

Duration 4 semesters (2 years); **Seats:** 20

Eligibility Criteria: Bachelor's Degree in Biomedical Sciences/ Life Sciences/ Zoology/ Microbiology/ Chemistry/ Biochemistry/ Environmental/ Biology/ Biotechnology/ Toxicology/ Clinical Sciences/ Laboratory Techniques/ B. Pharm/ with at least 50% marks in the aggregate. from Jamia Hamdard or any other examination recognized by the University or equivalent thereto.

Selection Procedure: On the basis of merit of the qualifying examination

2. Ph. D. Bioinformatics

The notification for admission in Ph.D.programme from session 2021-22 will be released in the month of August, 2021.

Eligibility: Masters degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics/ Chemoinformatics from a recognised University/ Institute.

NET-JRF/ Individual Fellowship holders/ Project Fellows will be preferred for admission in the Ph. D. programs.

3. Ph.D. Molecular Medicine

The notification for admission in Ph.D.programme from session 2021-22 will be released in the month of August, 2021.

Eligibility: Candidates having passed M.Sc. in any branch of Life Sciences, M. Tech (Biotechnology) or any other related qualification with minimum of 55% marks or equivalent grade from a recognised University/Institute.

NET-JRF/ Individual Fellowship holders/ Project Fellows will be preferred for admission in the Ph. D. programs.

4. Ph. D. Chemoinformatics

The notification for admission in Ph.D.programme from session 2021-22 will be released in the month of August, 2021.

Eligibility: Masters' degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics/ Chemoinformatics from a recognised University/ Institute.

NET-JRF/ Individual Fellowship holders/ Project Fellows will be preferred for admission in the Ph. D. programs.

Facilities: The SIST is well equipped with processing and analytical equipment. List of some major equipment available with department and University are as follows: HPLC, Texture Analyser, Rheometer, Hunter Lab Color Spectrophotometer, UV-Vis Spectrophotometer, Motic Inverted Microscope, Deep Freezer, Moisture analyser, BOD Incubator, Rotary Vacuum Evaporator, Biohazard Safety Cabinet, Lab. Scale Spray Drier, Tray Drier, Fluidized Bed Drier, Oven, Meat Processing Unit, Bakery lab, Food Juice Processing Equipment, Packaging Equipment, Hammer Mill, Ball mill, Laboratory Pasteurizer, Shrink Packaging Machine, Vacuum Packaging Machine, RT-PCR, Confocal Microscopy, ELISA, Fluorescence RT-PCR, Viscometer, Infra-red moisture meter, Fruit Crasher, etc.

School of Engineering Sciences & Technology (SEST)

Department of Computer Science and Engineering

The Department of Computer Science & Engineering in the School of Engineering Sciences & Technology started in 1997, and it has grown now into a vibrant centre of teaching and research. The Department not only offers Under Graduate (UG) and Post Graduate (PG) Programmes in Computer Science & Engineering / Computer Application / IT / ECE / Data Science/ Cyber Forensics & Information Security, but is also engaged in high quality research activities leading to Ph.D. degree in different thrust areas of computer science and engineering and intra disciplinary areas viz. Big Data, Soft Computing, IOT, Neural Network, Artificial Intelligence, Fuzzy Logic, Software Engineering, Data Mining, Information Security, Cyber laws, Cyber Forensics, Computer Architecture, Graph Theory, Computer Networks, Distributed System, Discrete Structure, Robotics, Machine Intelligence, Cognitive Radios, Mobile Computing, DBMS, Algorithms, etc. to list a few. Department has made a lot of contributions towards these areas in the form of publications in journals/conference-proceedings/books/sponsored research and collaboration with industrial research.

The department has huge infrastructure to provide facilities to our students. The department has several smart cluster rooms fully equipped with state of art of technology. It also has 2 computer labs with latest PCs having i5 processor with 8 GB RAM and 1 TB storage. The computer lab is fully equipped with latest Open Source Software as per our curriculum requirement running on

Ubuntu OS. Several PCs in Computer Lab at 1st floor runs on Windows OS having required software for academics. The Department also has a Research Lab (2nd Floor, Deptt. of CSE) for our Ph.D. students. These labs are fully equipped with Air Conditioning and CCTV cameras have been installed too. The department has 1 Conference Room with seating capacity of more than 100 for conducting departmental meetings and student seminars. In ECE domain, we have basic and advanced Electronics & Communication Labs according to required curriculum. These labs include Analog & Digital Labs, Embedded Systems Lab, FPGA Development kits, DSP Lab, Satellite & Microwave Lab, Digital Design Lab etc. The ECE labs have software as per the academic curriculum and these labs are equipped with updated and advanced instruments. The department also has high end computing and Artificial Intelligence Lab.

The students are provided internships and trainings via the Mou's signed with several setups like the AICTE's Intershala Scheme, Co-Cubes and RnF (for Campus placements), and ETrain India Pvt. Ltd for conducting seminars/ workshops which are Microsoft/ Adobe certified. These certifications open an arena of opportunities which are unmatched for.

The campus placements (On-site or Off-site) has big giants in industry like TCS, Wipro, HCL, Fiserv, RnF, Ericsson to name a few which recruit students and they prove to be assets to the industry. In addition, memberships to several international bodies like IEEE, and National ones like CSI, ISTE, and IETE has student chapters registered under them. These open avenues which are wide and enable to enhance their technical skills. These also enable the students to showcase their talent with several non-technical events organized time to time. Not only does the department boasts of exemplary academic record but also has a MoU with Reaching Sky Foundation (an NGO) which targets the social causes and implements several programs that fall under Unnat Bharat, Govt. of India, scheme.

The department has a pool of highly qualified excellent teachers and technical staff members as per UGC/AICTE norms. Several teachers of the department have been awarded patents. The vibrancy of research programs at the department is accentuated by the high - quality publications including books, book chapters and scientific papers, research articles in highly reputed indexed journals with indexing services like SCI, SCIE, SCOPUS and Springer publications. In addition, Research projects from several govt. agencies like UGC, DST, DBT, DIT, AICTE are to the credit of the faculty members. The department also has Entrepreneurship cell (E-cell) which motivates the students to think about innovations in day to day life. To sensitize students of the department about societal issues related to women, it has an active Women-cell which conducts activities related to women and girl students. An Institution Innovation cell approved by the MHRD's Innovation cell, Govt. of India has been bestowed upon to the institution. The department has been recognized by Department of Science and Technology with a grant approved under the FIST scheme.

Programs of Study, Eligibility and Selection Procedure

Ph.D. (Regular) Courses

Ph.D. in Computer Science & Engineering – Ph.D. (CSE)

The notification for admission in Ph.D. programme from session 2021-22 will be released in the month of August, 2021.

Eligibility:

M.Tech. / M.E. in Computer Science/IT /Computer Engineering (or in allied field), with at least 60% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF / Individual Fellowship holders / Project Fellows will be given preference for admission in the Ph.D. programme.

Non-NET candidates shall also be eligible.

Ph.D. in Computer Science – Ph.D. (CS)

The notification for admission in Ph.D. programme from session 2021-22 will be released in the month of August, 2021.

Eligibility:

MCA / M.Sc. in Computer Science / IT with at least 60% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF / Individual Fellowship holders / Project Fellows will be given preference for admission in the Ph.D. programme.

Non-NET candidates shall also be eligible.

Ph.D (Part-Time) Courses

Ph.D. in Computer Science & Engineering – Ph.D. (CSE)

The notification for admission in Ph.D. programme from session 2021-22 will be released in the month of August, 2021.

Eligibility:

M.Tech. / M.E. in Computer Science/IT /Computer Engineering (or in allied field), with at least 60% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF / Individual Fellowship holders / Project Fellows will be given preference for admission in the Ph.D. programme.
Non-NET candidates shall also be eligible.

Ph.D. in Computer Science – Ph.D. (CS)

The notification for admission in Ph.D. programme from session 2021-22 will be released in the month of August, 2021.

Eligibility:

MCA / M.Sc. in Computer Science / IT with at least 60% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF / Individual Fellowship holders / Project Fellows will be given preference for admission in the Ph.D. programme.
Non-NET candidates shall also be eligible.

NOTE: The time of thesis submission would be one year more for Part-Time than the regular Ph.D. regular course. For more information, refer to the university detailed by-laws.

Regular M.Tech. Courses: Total no of seats available: 60

M.Tech. (Computer Science & Engineering) – M. Tech. (CSE)

Duration: 2 years (4 Semesters)

Eligibility:

Passed B.Tech./BE or equivalent degree in Computer Science/Computer Science & Engineering/Computer Engineering/ Information Technology/Software Engineering/ ICT with at least 55% marks (or equivalent CGPA) in aggregate

(OR)

MCA or M.Sc in IT/Computer Science/Information Science & Technology/Electronics/Software Engineering or equivalent degree with at least 55 % marks (or equivalent CGPA) in aggregate .

(OR)

B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M. Tech. (CSE) with Specialization in Data Science

Duration: 2 years (4 Semesters)

Eligibility:

Passed B.Tech. / B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering / ICT with at least 55% marks (or equivalent CGPA) in aggregate.

(OR)

Passed B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 55% marks (or equivalent CGPA) in aggregate.

(OR)

Passed MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc.(Electronics) with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M. Tech. (CSE) with Specialization in Cyber Forensics & Information Security

Duration: 2 years (4 Semesters)

Eligibility:

Passed B.Tech./BE or equivalent degree in Computer Science/Computer Science & Engineering/Computer Engineering/ Information Technology/Software Engineering/ ICT with atleast 55% marks (or equivalent CGPA) in aggregate

(OR)

MCA or in M.Sc in IT/Computer Science/Information Science & Technology/Electronics/Software Engineering or equivalent degree with atleast 55 % marks (or equivalent CGPA) in aggregate .

(OR)

B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with atleast 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

Part Time M.Tech. Course:

Seats: 60 (50 General, + 10 Sponsored, including NRI); additional 6 seats available for Foreign Nationals.

M.Tech. (CSE) – Part Time

This is a Weekend Programme to facilitate the enhancement of qualifications of the in-service engineers/technocrats besides the fresh candidates. Preference will be given to in-service candidates or to those having working experience. Most of the teaching-learning process of this Weekend Programme will be held during Saturdays/Sundays, **but all the Semester-end examinations (Theory and Practical both, and Seminars/Project/Dissertation evaluation etc.) and all other official activities including fees submission, central library service, sports, etc. (except Teaching) will be held during weekdays (Monday to Friday) only.** During the semesters with the courses like Project/Dissertation, **the guidance by the supervisors will be done during weekdays** and consequently the students during these Project/Dissertation courses of the semesters must be prepared to visit the supervisors for guidance during weekdays. **Candidates before applying for admission must ensure themselves well aware of the above conditions.** They must take care of their personal constraints well in advance. For any query/ assistance in this respect, the office of the Department of Computer Science, JamiaHamdard may be contacted.

Duration: 3 years (6 Semesters)

Eligibility: A candidate must have:

Passed B.Tech./B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering/ ICT with at least 50% marks (or equivalent CGPA) in aggregate.

(OR)

Passed MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc. (Electronics) with at least 50% marks (or equivalent CGPA) in aggregate.

(OR)

Passed B.Tech./B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 50% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

Master of Computer Applications (MCA)

Duration: 2 years (4 Semesters)

Seats: 60 (50 General + 10 Sponsored, including NRI); in addition to these seats, 06 seats are available for Foreign Nationals.

Eligibility:

Passed BCA/ B.Sc./ B.Com./ B.A. with Mathematics at 10+2 level or at Graduation Level. Obtained at least 50% marks in the qualifying Examination.

Selection procedure: Merit of the qualifying examination

B. Tech. Computer Science & Engineering – B. Tech. (CSE)

Duration: Four years (8 Semesters).

Seats: 240, inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility:

A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 (B.E. /B.Tech.) of JEE (Main) 2021. In case of delay in conduct of JEE-2021 the University may offer admission on the basis of merit of aggregate percentage of first 5 subjects of the qualifying examination.

B. Tech. Electronics and Communication Engineering – B. Tech. (ECE)

Duration: Four years (8 Semesters) for each programme.

Seats: 60, inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility:

A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 (B.E. /B.Tech.) of JEE (Main) 2021. In case of delay in conduct of JEE-2021 the University may offer admission on the basis of merit of aggregate percentage of first 5 subjects of the qualifying examination.

B. Tech. Computer Science and Engineering (Artificial Intelligence)

Duration: Four years (8 Semesters).

Seats: 60, inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility:

A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by JamiaHamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

School of Humanities & Social Sciences (SHSS)

This School offers programs in humanities and social sciences. The School consists of the Department of Islamic Studies and Center for Federal Studies.

Department of Islamic Studies

This is one of the oldest departments set up by the late Founder-Chancellor, Janab Hakeem Abdul Hameed Saheb, which later provided the base for establishing Jamia Hamdard in 1989. The department is widely known for its original contributions in the fields of Islamic Studies. It offers BA (Hons), M.A and Ph.D. programmes. The B.A (Hons) and M.A programmes have been designed to help students to specialize in the domains of Islamic Sciences of Knowledge, besides promotion of interdisciplinary understanding especially in the fields of social sciences. The subsidiary and compulsory papers of BA (Hons) have been prepared keeping in mind requirements of the present times. The purpose is to give a thorough knowledge of contemporary subjects such as Sociology, Political Science, Economics, Islamic Economics, Banking and Finance, Computer Applications, Arabic and English languages and core subjects like Quranic Sciences, Principles of hadith, various civilization and dynasties etc.

The M.A Islamic Studies programme also focuses on issues like Ijtihad, the Islamic position on multiculturalism, dialogue between religions and civilizations, knowledge in the Islamic perspective, and problems faced by the Muslim community in India and abroad. Teaching of Sufism provides exhaustive analysis of peace, ethics, theology, Sufi traditions and orders, Bhakti movements, composite cultures, shrines, major writings etc.

The main thrust of research in the Department is in the areas which have critical relevance to the contemporary Muslim world with special reference to Indian Muslims. These include subjects related to the socio-economic, religious and political problems of Muslims in India, contribution

of Muslims to different walks of life, issues related to misunderstandings about Islam and Muslims, the impact of Islam on India and vice-versa, the contribution of Indian Muslim scholars and noblemen, translations of outstanding works by Muslim scholars including Muslim scientists, ulama and sufis. Within the broad parameters of the Holy Qur'an and Sunnah, research in Islamic Studies is based on, and guided by the modern methodology of knowledge formations.

B.A (Honors) Islamic Studies

Duration: Three years (6 Semesters)

Seats: 35

Eligibility: A candidate must have passed the Senior Secondary (12th Standard/ Intermediate) examination conducted by the Central Board of Secondary Education, or any other examination recognized by Jamia Hamdard. Alternatively, he/she should have passed *Alim* from state Madrasa Board or should have *Alimiyah* degree from Madrasas recognized by Jamia Hamdard. The candidate should have secured at least **45%** marks.

Note: Candidates applying for B.A (Hons.) Islamic Studies are advised to read the list of Madrasas/Boards/Institutions recognized by Jamia Hamdard as mentioned in General Information and Admission Guidelines.

Selection procedure: On the basis of merit of first five subjects in the respective qualifying examination.

M.A. Islamic Studies

Duration: Two years (4 Semesters)

Seats: 20 (Inclusive of reserved seats for NRI/Sponsored candidates), Additional seats are available for Foreign Nationals.

Eligibility: 45% marks in aggregate in the Bachelors examination recognized by the statutory bodies of India or Fazilat Degree from state Madarsa Board or Madarsa recognized by Jamia Hamdard.

Selection procedure: On the basis of merit determined by marks in the respective qualifying examination (upto 4th semester for a 3 year programme), and Interview of the shortlisted applicants.

Ph.D. Islamic Studies

The notification for admission in Ph.D. programme from session 2021-22 will be released in the month of August, 2021.

Eligibility and selection procedure: Candidates shall have a Master's Degree in Islamic Studies with at least 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Centre for Federal Studies

The Centre is

- A member centre of the prestigious International Association of Centers for Federal Studies (IACFS).

- Exclusively dedicated to advance studies, researches and teaching on the dimensionalities of federal nation building in multicultural comparative settings.
- To develop alternative paradigms of knowledge

Federal Studies is unconventional and interdisciplinary in nature and scientific in temperament which bridges the traditional divide between natural sciences and social sciences.

It has matured as a doctrine of

- (i) State and nation building
- (ii) Noncentralized/decentralized governance
- (iii) Empowerment and welfarism
- (iv) Human Rights and,
- (v) Peace and conflict resolution

The contemporary focus of Federal Studies is on the promotion of interface and policy studies on 'human capital and natural resource management' from the perspective of federalism. It is being planned and developed as a principal knowledge instrument for shaping the future of mankind in the 21st century. It is unconventional in nature and scientific in temperament. It bridges the traditional divide between natural sciences and social sciences.

Mandate:

- (i) To develop as an exclusive knowledge resource centre and to grow as internationally acclaimed resource repository on various dimensions of federal nation-building in India and other multicultural and diverse polities of the world, particularly Euro-American and South Asian polities.
- (ii) To convert academic studies into pragmatic policies i.e. to provide policy alternatives, and
- (iii) To popularize federalism as grand design of living together. Centre has unique knowledge repository on micro themes of Indian federalism, democracy, polity and society. Centre has also developed its own data bank on select themes of Indian polity and society.
- (iv) To promote blended/fusion studies particularly in the fields of Politics and Economics and other applied systems of knowledge.

Areas of Advance Studies and Research

- Comparative federalism
- Interstate comity
- Federal power sharing
- Working of coalition system
- Environmental management and ecological concerns of development
- Public Policy and Governance (Design Specific) Studies
- Sectoral analysis of state policies including science, technology, natural resources and public health

- Decentralization, development and empowerment
- Human rights, inclusive growth and development of socio-economically marginalized groups
- Federal accommodation of identities
- Globalization and global governance
- Indian Government and Politics
- Working of the Union Model of Indian Federalism
- Social/Regional Movements
- Public Finance and Economic Management of Taxes and Resources
- Local Self-Government
- Election Studies

Methodologically the Centre promotes interdisciplinary and interface studies on above mentioned themes. It prefers case specific, simulated and guided modes of teaching and research.

Also the Centre for Federal Studies especially focuses and supports the qualitative studies on Human Rights and offers M.A. (Human Rights) and Ph.D.

In multidisciplinary framework and scientific inquiry, a range of suggested research themes encompasses:

- (i) Genesis, History and Concept of Human Rights and Natural Rights, Civil Society and Nation–State.
- (ii) Indian Constitution and Judiciary: Citizenry and Human Rights and Responsibilities, Judicial dispensation of human rights cases and landmark judgments.
- (iii) Human Rights, Laws and Institutions – International and National context.
 - UN system and its specialized agencies and concerned human rights bodies and treaties, Human Rights Mechanisms and a regional arrangements and networks, National Human Rights Institutions (NHRIs) and Universal Periodic Review and System of National Enquiries
 - Paris principles and the Protection of Human Rights Act 1993: National Human Rights Commission, State Human Rights Commissions, District Human Rights Courts and other National and State Commissions dealing sectoral aspects of Human Rights
- (iv) Criminal Justice System, Human Rights Defenders and Civil Society Organizations and Civil Rights Movements
- (v) Development, Environment, Health & Medical Services including drug related Issues and food & water, Governance and Rule of Law, Social Justice and inclusive growth and development of socially and economically marginalized groups and weaker sections of society such as women, children, elderly people, scheduled castes, scheduled tribes, backward classes and Persons with Disabilities.

School of Management & Business Studies (SMBS)

This School consists of the following Departments and programs of study:

1. **Department of Management**
2. **Department of Healthcare & Pharmaceutical Management**
3. **Department of Hotel Management and Catering Technology**

The Department of Management Studies was established in the year 1998. Ever since its inception, the department has aimed at broadening students' outlook, strengthening their soft skills, with emphasis on the personality development of the student. Owing to the core competencies of the faculty, the department has made a name for itself, both among industry erudite and intelligentsia. The degree awarded is a master's degree with specialization in Management viz., Marketing, Finance, Human Resource, Operations Management, International Business and Entrepreneurship. In the year 2014, the Bachelors Program of BBA was initiated, which has been a well received program. In 2016, Department of Healthcare & Pharmaceutical Management was started. Further, in 2019, Department of Hotel Management and Catering Technology was set up. The teaching pedagogy employed in SM&BS is a combination of theoretical concept with practical application. This is achieved by discussing the latest developments in management thinking and their applications in the Indian context through case studies, club activities, seminars, guest lectures and industrial tours. The students are encouraged to overcome the limitations of classroom education by attending club activities twice a week. The club activities provide a platform for polishing the

communication and presentation skills. During the club session, students make individual presentations on recent happenings in the areas of management. They also organize, Biz-Quiz, Debates, Ad-mad shows etc. through which learning becomes a pleasant experience. In order to have interaction with the corporate world, the MBA Programme incorporates guest lecturers as part of its curriculum. The department invites guest speakers from the industry to interact with the students and give insights in contemporary issues and developments.

The School is well endowed with intellectual capital and field experience with both senior and young faculty members who have plenty of research experience behind them and extensive industry experience in the domain of Management specializations like Marketing, Finance, Human Resources, Operations Management, International Business and Entrepreneurship, as well as in, Commerce, Healthcare, Pharmaceuticals, Hotel management.

Placements and Internships

Placement/Internships activities are coordinated by a placement cell headed by, Training and Placement Officer, comprising of selected student representatives and faculty members. This includes both summer internship as well as final placements.

Hamdard Institute of Legal Studies and Research (HILSR)

Hamdard Institute of Legal Studies and Research (HILSR), was established in 2018 by the approval of the Bar Council of India (BCI). HILSR offers BA.LL.B, a five-year integrated degree course. With an overwhelming response for admission in the course we have been able to accommodate 120 students in each batch against 120 seats allotted. HILSR has made a significant progress through its three years with the third batch currently running successfully. The faculty members are drawn with diversified knowledge and experience coming from various renowned institutions. In order to facilitate quality teaching and learning, HILSR is committed to innovative pedagogy and globalism. We are adequately equipped with modern infrastructure, with online facilities such as library, smart classrooms, computer lab, moot court etc. Our vision is to progress with the march of time in order to strengthen our legal education and preparing outstanding lawyers and law professionals who would serve and contribute to the development of a just society.

Aim and objectives

The aim of HILSR is to train students for legal profession by developing necessary skills, competencies and discipline. The course has accordingly been designed to equip students with substantial knowledge of the political, historical and sociological background of the country's legal system and to promote multi-disciplinary analysis of socio-legal issues. Special care is taken to prepare students for the demands of the dynamic global challenges of the profession. Hence, they are imparted with sufficient knowledge of the operative legal rules; both substantive and procedural and are provided with ample opportunities and guidance for application of these rules.

The methods of teaching include classroom lectures, open discussions, deliberations on the judgments, seminars, tutorials, presentations, workshops and moot courts sessions etc. HILSR also aims to emerge as a platform for cutting-edge research on law and social sciences. The faculty members are engaged in producing high quality research. Students are also encouraged and trained to cultivate critical thinking and imbibe skills for inter-disciplinary research with a progressive outlook.

The HILSR has the distinction of the following infrastructure and facilities:

- Smart Classrooms
- Moot Court room with a capacity of 200 chairs.
- A well-stocked and computerised library.
- Computer Lab with internet facility.
- Legal Aid Clinic

Centre for Education, Training and Empowerment

Jamia Hamdard Residential Coaching Academy (JHRCA) was established in September, 2009 under the aegis of Ministry of Human Resource Development, Government of India and funded by the University Grants Commission. The main thrust of the Coaching Programme is to prepare candidates from the Minority community along with SC/ST and Women candidates to compete and secure jobs in Government and Public Sector Units. Academic support and guidance along with personality development interventions are emphasised at the Academy for holistic development of candidates to face the stiff competition for entry into various services.

Infrastructure and Facilities

The Coaching Academy is located in the main campus of Jamia Hamdard at Hamdard Nagar, New Delhi. Necessary infrastructures such as class rooms, library, offices, computer lab etc. are properly available to cater to the requirements.

The contextual and required lectures and interactive sessions are conducted by qualified and competent resource persons, drawn from respective fields and expertise. The coaching program, spread over a period of 10 months, is rigorous and intensive. Regular written Tests are conducted to evaluate the performances of the Candidates.

In addition, personality development of the candidates is emphasized by personal support and guidance. Regular interactive sessions with successful Civil Servants are also being conducted for the candidates. Group discussions and debates among candidates are encouraged to develop communication skills.

Library

There is a dedicated Library for the candidates of the Academy. Newspapers, periodicals, books and notes for civil services are available in the library. The library is kept open for 20 hours a day on all days of the week. Candidates can also avail the facilities at the Central Library of the University.

Hostel

Hostel facility is provided to all admitted candidates on sharing basis. Hostel rooms are equipped with all the basic amenities. Mess facility is open to all the residents of hostel on payment. As washing of cloths is not allowed in the Hostel, the Candidates will have to pay the laundry charges, separately the hostel facilities would be provided for a period of ten months only.

Stipend

Under the Project, 20% of the selected candidates would be awarded with stipend of Rs. 2,000 per month. The criteria for selection are based on merit cum means of the candidate. For securing the stipend the Applicants have to produce the income certificates of their parents, duly issued either by the Tahsildar (revenue officer) of their Block or Mandal or by their employer, only. The stipend will be given for a period of ten months which will commensurate with the stay in the hostel. However, a candidate will be eligible for stipend only for one term of his/ her stay in the Academy.

Admission Process

The Academy will screen and scrutinise the applications on specific parameters, as mentioned in paragraph 5 below, and only short listed candidates would be called for written test. Those who qualify in the written test would be called for Personal Interviews and final selection for admission. The written test and interviews will be held at Jamia Hamdard, New Delhi.

Eligibility

The Applicant must have completed graduation i.e. BA/B.Sc./B.Com/B.Tech/ B.Pharm or equivalent examination from any recognized University.

Center for Distance and Online Education

Jamia Hamdard is one of the top ranking Universities of the country. The National Assessment and Accreditation Council (NAAC), Government of India has accredited 'A' Grade to Jamia Hamdard with 3.15 under 4.0 scale. It has been ranked at 18th position in the year 2019 and 21st in the year 2020 by the National Institutional Ranking Framework (NIRF), Government of India. The School of Pharmaceutical Education and Research (SPER) has been ranked No. 1 by the NIRF in the year 2017, 2019 and 2020.

Jamia Hamdard has thirteen Schools/Centres of Studies offering high quality Programmes ranging from Certificate, Diploma, Undergraduate, Postgraduate and the Doctoral Programmes. They are: Hamdard Institute of Medical Sciences and Research, School of Unani Medical Education and Research, School of Pharmaceutical Education and Research, School of Nursing and Allied Health Sciences, School of Chemical and Life Sciences, School of Interdisciplinary Sciences and Technology, School of Engineering Sciences and Technology, School of Humanities and Social Sciences, School of Management and Business Studies, Hamdard Institute of Legal Studies and Research, Centre for Education, Training and Empowerment, Centre for Media and Mass Communication Studies, and the Centre for Distance and Online Education.

The School of Open and Distance Learning (SODL) of Jamia Hamdard now been renamed as the Centre for Distance and Online Education (CDOE) was established in the year 2004, offering various undergraduate and postgraduate diploma programmes. Major objective of the CDOE has been to provide access to higher education to those who are not able to draw benefits from the formal system of education. The open and distance learning system allows a learner to determine his / her pace of learning.

Our Founder Late Janab Hakeem Abdul Hameed Sahab has established Jamia Hamdard in order to extend opportunity of higher education to the disadvantaged sections of the society, especially, the Muslim minority. The dream of Late Hakeem Saheb is being fulfilled by offering programmes through ODL mode to the students of a few recognized Madarsas. This is enabling children from the Muslim minority dominated pockets of Delhi to get enrolled in the main - stream programmes and courses.

THE MANDATE

Open Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on - campus education due to various reasons. As a result, it is an effective tool for non - formal education. Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such as vocational and technical education and even in high technology based education. The distance education also has potential to reach to the un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard

being in education for a long time has taken initiatives to offer an opportunity to those students who are unable to get on - campus education and those who have limited access to educational resources.

The flexible and innovative methods of education of Open and Distance Learning system ensures 'independent learning' to anyone, anytime and anywhere. The ODL Programmes of Jamia Hamdard also envisages providing an opportunity to girls from Muslim community, who by and large has been left out by the national educational endeavors.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of University, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of University's programmes through ODL mode. This goal in view, the CDOE of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study material and introduction of tools of Information Technology.

THE ACADEMIC PROGRAMMES OF CDOE

The Centre for Distance and Online Education, Jamia Hamdard offers education through ODL mode in few selected programmes where University has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available courses offered by other institutions and the market demand, and/or to provide cost - effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Keeping in view of the COVID – 19 pandemic, for the safety of the learners, the faculty and staff of Jamia Hamdard, the CDOE, Jamia Hamdard have decided to provide academic and the administrative support services to its learners through an integrated ODL – Online mode, following the latest guidelines issued by the University Grants Commission. The CDOE has been providing high quality academic support to its learners through high quality self – instructional study material, online theoretical counselling sessions, online submission of assignments and project reports. Examinations have also been conducted as per the guidelines issued by the University Grants Commission.

The CDOE has been offering career oriented Programmes. They are: Bachelor of Business Administration (BBA), Bachelors of Computer Applications (BCA), PG Diploma in Bio Informatics (PGDB), PG Diploma in Chemo Informatics (PGDC), PG Diploma in Dietetics and Therapeutics Medicine (PGDDTN), PG Diploma in Drug Regulatory Affairs (PGDPRA), PG Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA), PG Diploma in

Intellectual Property Rights (PGDIPR), PG Diploma in Human Rights (PGDHR), PG Diploma in Medical Record Techniques (PGDMRT) since last few years.

PG Diploma in Computer Applications (PGDCA) – leading to MCA, PG Diploma in Artificial Intelligence (PGDAI), PG Diploma in Machine Learning (PGDML), PG Diploma in Big Data Analytics (PGDBDA), PG Diploma in Cloud Computing (PGDCC), PG Diploma in Cyber Security and Digital Forensics (PGDCSDF), Diploma in Professional Arabic (DPA), Diploma in Persian Language (DPL), and Certificate in Modern Persian Language (CMPL) have been added to the bouquet of the Programmes from the year 2019 – 20. The BCOM (Hons) has been introduced from the session 2020 – 21.

The BBA, BCA, BCOM (H) Programmes have been approved by the University Grants Commission. The Post Graduate Diploma Programmes are approved by the Academic Council of Jamia Hamdard.

AIM

Further, without sacrificing quality of education, cost of education under CDOE has been kept very low, facilitating students from the economically deprived sections of the society to get enrolled into the programmes of CDOE and get education of their choice. Poor students, specially, girls are pursuing academic career along with their employment

Students holding passports issued by foreign countries and people of Indian origin who have acquired the nationality of foreign countries are included as foreign students.

ii) Non Resident Indians or NRI

Only those Non Resident Indian Students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to Boards of Secondary Education or universities located in India, but will not include students studying in those schools or colleges (situated in India) and affiliated to the Boards of Secondary Education or Universities of the foreign countries. Students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependants of NRI studying in India will not be included as International students. Entry level status of International students on entry to the country will be maintained.

Admission procedure for international students

1. **Documents required for admission of International Students** - For admission of international students at Jamia Hamdard, the following documents are required:

(i) VISA

All the International students will require a 'Student VISA' endorsed to this institution or permission from Govt. of India for joining full time courses. No other endorsement is acceptable. Students wishing to join a research program will require a 'Research VISA' endorsed to this institution or permission from Govt. of India. The visa should be valid for the prescribed duration of the course.

A visa is not required for NRI students. Students who are doing full time courses in some other institutions, do not require a separate visa for joining 'Part Time courses' provided that their current visa is valid for the entire duration of the course.

(ii) No Objection Certificate

Students do not require a 'No Objection Certificate' for joining professional courses. All International Students wishing to undertake any research work or join a Ph.D or M.Phil program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must be on the research VISA endorsed to this institution.

2. Eligibility qualifications

The qualifications required for eligibility for admission to different Courses can be checked in detail from the prospectus. Only those students who have qualified from foreign universities or Boards of Higher Education recognized as equivalent by the 'Association of Indian Universities' (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. In case the University /Board is not included in the list, the candidate has to obtain and submit a certificate to this effect from AIU (at the address given below) by paying the requisite fee. Submission of Equivalence Certificate from AIU is mandatory for such foreign nationals.

AIU HOUSE: 16, Comrade Indrajit Gupta Marg, New Delhi 110002, India.

Phone nos.: (91) -11-23230059, (91)-11-23232429

Fax: (91)-11-23232131

E mail: aiu@del2.vsnl.net.in

Website: <http://www.aiuweb.org>

3. Admission of International students

Admission of all the International students will be done through the 'International Students Cell (ISC)' of Jamia Hamdard. Students will generally be admitted in the beginning of the course. However, students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases.

The admission of International students is done in two steps:

First step:

A student wishing to join Jamia Hamdard gets the information on the courses available, the eligibility requirements and admission procedure from the prospectus or the website of Jamia Hamdard www.jamiahamdard.edu. Following this the candidate has to register for the course of study ONLINE (Also take out the print of online registered application form).

The Foreign Students Affairs office after getting the eligibility criteria checked and other relevant information provided will accordingly issue a Provisional Admission Offer Letter (on payment of non refundable advance amount of 20% of the total annual course fee). This is required to get the VISA and to complete other formalities. At this stage, if required, Telecon Interview of the candidate may also be conducted.

After getting provisional admission, the candidate should get the 'Student VISA' / Research VISA (as the case may be) and complete all other formalities.

Second step:

- Report to Foreign Students' Advisor Office on or before the date of admission, as mentioned in the Provisional Admission Offer Letter.
- Get the original eligibility certificates verified.
- Pay the remaining course fee.

4. Transfers and change of course

An International student who has been granted admission to a particular course shall not be allowed to change the course. Transfer from one institution in India to another is also not allowed ordinarily. In exceptional cases, the 'International Student Cell' may permit this based on the availability of the course, eligibility rules and permission of the Competent Authority of Jamia Hamdard.

5. Government of India Scholars

International students who are awarded scholarships by the ICCR, New Delhi shall be preferred while granting admission and for hostel accommodation. Sponsored candidates from different foreign governments for training and for studies are also preferred for the same.

Stepwise procedure for admission of International Students for full time courses:

Step 1:

- a) International students should apply on a separate form prescribed for Foreign nationals/NRI / Sponsored candidates.
- b) The Information Bulletin & Prospectus along with Online Application Form for Foreign Nationals/NRIs may be checked on the Jamia Hamdard website www.jamiahamdard.edu. The candidate preferably has to apply/register on the prescribed form ONLINE. **He/she may also apply Offline.** For this the candidate may contact Foreign Students Advisor office.

- c) The application form registration fee is required to be paid through a crossed Bank Demand Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card.

Step 2:

Get the 'Provisional Admission Offer Letter' from the Foreign Students' Advisor Office, in order to obtain the VISA (on payment of non refundable advance amount of 20% of the total annual course fee).

Step 3:

Submit the 'Provisional Admission Offer Letter' to the Indian Embassy of the respective country for obtaining the 'Student VISA'.

Step 4:

Report at Jamia Hamdard for admission; Submit the below mentioned documents (in original along with the attested photo copies) and get them verified by the Foreign Students Advisor office.

- a) Degree/ Pass Certificate of the qualifying examination
- b) Mark list of the qualifying examination
- c) 'Student VISA' in Original
- d) A photo copy of the Passport- duly attested.

Note: The original certificates will be returned to the students immediately after making an endorsement to this effect.

Step 5:

Students are required to undergo the medical fitness examination (at Jamia Hamdard hospital) and get the medical fitness certificate. Prior to this, the student will to get the RT PCR test done from any recognized Delhi Hospital.

Step 6:

Admission of International /NRI students will be confirmed after verification of Valid Student/Research VISA; / original certificates, medical fitness test and payment of required fees. Even after the admission, at any stage if it is noted that the qualifying Degree/Certificate is not recognized by AIU, the admission of the candidate may be cancelled. **Withdrawal of admissions/ refund of fees cases will be dealt as per the guidelines of Jamia Hamdard in this regard.**

Step 7:

International students who are studying for full time courses in any other institution can be given admission to Part Time courses, only if they hold a valid visa for the duration of the Part Time course. A separate visa is not required. Such students will pay the fee as applicable. Jamia Hamdard in consultation with 'International Students Cell' may admit such cases directly, if they meet the prescribed eligibility qualifications.

Step 8:

Within two weeks of arrival in India, students are required to register their names with the police in the 'Foreigner Regional Registration Office (FRRO)' of the Delhi Police.

7. Examination and award of Degree & Diploma

The procedure for examination, payment of examination fees, issue of mark sheet, issue of passing certificates and award of degrees will be same as for the Indian students doing the same courses.

8. Financial assistance for meritorious students

There is a provision of discount in fee for the meritorious foreign students. The below mentioned criteria will be adopted:

Fee concession will be applicable from the II year/III semester (after passing the 1st year/2nd semester) and onwards based on performance (results etc) in a particular program.

- 25% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:
 - 75% class attendance in the concerned academic year and 75% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year.

 - The student must have passed all the subjects of the concerned academic year in first attempt.
 - Any student who has already availed a discount on admission and course fee will be ineligible for any scholarship whatsoever.

9. Withdrawal of admission

Refund of fee in case of admission withdrawal of foreign nationality students will be as per the Jamia Hamdard guidelines.

10. Attendance

It is mandatory to have 75% attendance (or as per the rules of regulatory councils) in all subjects of the course and English Language Foundation course (if enrolled) in order to become eligible for appearing in the semester or final year examinations.

All the students will have to register for every subsequent semester along with payment of prescribed fees, there will be no automatic admission to next semester.

11. Ph.D program

International students fulfilling the minimum eligibility criteria for admission to Ph.D and preferably holding a fellowship, submit their applications online or write to the School. They may also contact the prospective supervisor or write to the Office of the Foreign Students Advisor. Applicants are advised to refer to the Ph.D Bylaws (available on Jamia Hamdard website: www.jamiahamdard.edu) before applying.

12. Discipline

The International students should abide by all the rules of Jamia Hamdard and the code of conduct as applicable to Indian students enrolled in the same courses

National Cadet Corps (NCC)

National Cadet Corps (NCC) is a highly reputed body and has an enormous history to take pride. In fact, NCC is always ready for the nation by serving the best of the abilities and capabilities to the people, for the people and by the people. As NCC is not just meant for military training but it has also enabled the cadets to learn several other valuable things for life such as selflessness, discipline, hard work, honesty and other leadership qualities.

We have 54 cadets, in which most of the cadets have completed B or C certification and attended various CATC, Trekking National Camp, Army Attachment and Others National Camps. NCC Jamia Hamdard also organized an Annual Conference on 30th October 2019 on “*Contribution of NCC Cadets for Nation Building and Global Development*”. Our cadets actively participate in COVID-19 duty, NukkadNatakand SwachtaPakhwada Mission of Government of India.

Hakeem Mohammed Said Central Library

The University library is among the oldest academic institutions established by the great Visionary late Chancellor Hakeem Abdul Hameed Sb. (1908-1999) in 1977 at the Tughlakabad Campus of the upcoming university. The Central library is housed in a multi-tire round building famous for its architectural design and beautiful landscaping. It was renamed in 1992 as the Hakeem Mohammed Said Central library (acronym HMSCL) on the name of the younger brother of the founder. The Jamia Hamdard Library System consists of the HMS Central library and a number of School libraries, such as School of Pharmaceutical education and Research Library, School of Nursing Sciences and Allied Health Library, School of *Unani* Medical Education and Research Library, School of Chemical and Life Sciences Library, , School of Humanities and Social Sciences Library and HILSR Library etc. holding good number of Books and Periodicals.

Library computerization

The library has undertaken the computerization of its house-keeping activities based on the popular propriety ILMs Libsys web OPAC software since 2004. Keeping in view the nature of the collection which consist of a large number of non-European printed materials, bibliographic databases in Unicode complaint standard have been developed. Now, a variety of bibliographic databases, such as database for printed books, theses and CD-ROMs are available in English, Urdu, Hindi, Persian and Arabic languages. These various databases are available to be accessed throughout the campus and beyond in 24x7 format on the Intranet and Internet topography. All library members are provided bar-coded library IDs with category specific privileges for borrowing materials from any issue counter within the library system.

The RFID based circulation system has been introduced in the HMS Central library from the academic session 2019-2020 which is integrated with the already running Libsys software. This new technology is facilitating library users to check-out and check-in of library materials by themselves and save their time. The library will also benefit as this system will provide a protection against theft as well as willful misplacement of books, etc. The library is also introduced Biometric fingerprints access and Charging/Discharging control system in the Central library to facilitate real-time record of footfalls in the library. Currently, batch-wise fingerprints of students are being obtained in the library.

Library collection

The library system is well equipped with latest books of different Subject, Text Books, Reference Books, Periodicals, Magazines, Databases, Online electronic sources, etc. concerning the various courses taught in the university. The collection is distinguished for documents on Bio-medical Sciences, Medical sciences, Biotechnology, Food Technology, Pharmacy, Management, Information Technology, Computer Sciene, Islamic studies, Medieval History and the traditional system of medicine (*unani*). '*The six voyages of John Baptista Tavernier*', published in the year 1678 is the oldest printed book available in the library collection. The Manuscript Section besides a number of rare documents has the distinction of holding the only extant copy of *al-Mudkhalila Ahkam al-Nujoom* (a handwritten book on Astrology in Arabic language) dated 3rd century of Hijri calendar (equivalent to 8th century AD). The salient features of the collection at a glance:

- ❖ Over 2 lacs books.
- ❖ Subscribing 94 current scholarly Indian and Foreign journals
- ❖ Subscribing Online Four databases.
- ❖ 3800 Manuscripts.
- ❖ 3415 Bound volumes of journals.

- ❖ 83 Rare Books Digitized (In House).
- ❖ More than 5000 Oriental Section books Digitized (By Rekhta)

Additionally, the following unpublished, locally created outputs generated by the research scholars and faculty members of this university are made available:

- ❖ 1477 doctoral theses.
- ❖ 2500 Post-graduate dissertations.
- ❖ University publications.

Library promotion

The library is carrying-on two promotional exercises on the web:

- ❖ The web link captioned “University library & Information system” is hosting the web OPAC, as well as the links to various purchased and open access knowledge databases and also static information about the library sections and professional staff members.
- ❖ There is another interactive link called “Library Current Awareness Services” which carries to update information concerning new additions, notices, circulars, news relating to H.M.S. Central Library, etc.

These links can be accessed by visiting either the university website <http://www.jamiahamdard.edu>.

Library services

Various conventional & non-conventional services are provided to the students and scholars from 9.00 am to 5:30 pm all weekdays, timing are periodically extended during Examinations.

- ❖ Charging/Discharging of documents.
- ❖ Book Bank service.
- ❖ Inter-library loan service (through DELNET).
- ❖ Documents delivery service (DDS).
- ❖ Current awareness service (CAS)
- ❖ Electronic theses & dissertation (ETD) service.
- ❖ Short-range and long-range reference service.
- ❖ Anti-plagiarism check (through web tools Urkund).
- ❖ Library also organize Book exhibition to facilitate members to select books of their interest.
- ❖ Member of National Digital Library.
- ❖ Demonstration of commercial databases for procurement.

Lamination & Digitization activities:

The library is undertaking regular conservation and preservation activities for protecting and increasing the shelf-life of the manuscripts available in the Manuscript division. Digitization of rare printed books are also undertaken to facilitate long-term preservation as well as easier global access of these valuable documents over the web. Most of these archival activities are undertaken with technical and financial supports from various government agencies, such as National Mission for Manuscripts (NMM) and National Archives of India (NAI).

Under the grants received from the National Archives of India (NAI), the library has been able to create important assets, such as installation of fumigation chambers, dehumidifiers, air-conditioners in the Manuscript division besides undertaking lamination and archival binding of hundreds of deteriorated manuscripts which have given them fresh life as well as made their consultation easier.

Moreover, hundreds of depilated rare books which could be not handled by naked hands have been given fresh life for posterity through digitization and archival binding under the NAI projects. The National Mission for Manuscripts (NMM), an another specialized body under the Ministry of culture devoted to resurrection of old Indian arts and manuscripts has been engaged to digitize the majority of manuscript collection.

Handsome grants have been received through the UGC on the recommendation of the Infflibnet for the purpose of (i) uploading the back-files of Ph.D. theses to the Shodhganga ETD repository; (ii) purchasing of over-head scanner and server for setting-up the in-house ETD laboratory to support ongoing digitization activities.

Academic integrity & Anti-plagiarism provisions:

The Central library is actively involved in promoting the culture of academic integrity and honesty in research to improve and maintain quality in higher education. The Central library undertakes compulsory checking of all research papers and doctoral theses through the 'Urkund' software for which online link have been provided by the **Infflibnet**.

Library outreach activities

The library offers periodic orientation programmes and on-demand training programmes to access the different databases and e-resources. Training programmes for LIS students from other universities are also conducted. Lectures on current best practices in librarianship are arranged to facilitate opportunities for continuous learning and professional up-gradation to the library staff. Thematic exhibitions are also organized with a view to inform the internal as well as external customers about the richness of the collection and enhance the utilization of the library resources.
