Admission Notice: Academic Year 2022-23

Four-Year Bachelor of Science (Research) Programme

The Indian Institute of Science, a leading institution of higher learning with a strong tradition of research, offers a **Four-year Bachelor of Science (Research) Programme** which is designed as a balanced blend of core science and interdisciplinary topics to serve as a platform for attractive career opportunities in academia and industry. Students who complete the requirements for the award of the Bachelor of Science (Research) degree will have the option of getting a Master of Science degree by studying at the Institute for a fifth year.

Applications are invited for admission to the four-year undergraduate programme at the Institute. Eligibility, selection criteria and other details are also available at the website <http://www.iisc.ac.in/ug>
